Yearbook Message

March 25, 2021

Hello Students, Parents, and Families,

I am hoping that this message finds you well. Yes, the yearbook is still happening! Despite having to figure out how to do a little rearranging, we are moving forward to include as much as possible. We know that many events and activities have been cancelled, but we are committed to creating a book that will feature Liberty High School and its student body. “Like never before”, our yearbook theme, takes on a new meaning for how we do things. This book is about each of you and your personal stories, interests, hobbies, and ANYTHING you are willing to share. In order for us to accomplish this, we need your help. We need you to send photos, stories, quotes, screenshots of virtual team meetings, or anything that we can use to supplement traditional coverage. Such examples include:

- SPORTS — pictures from friends & family, quotes about new regulations, players who will continue to play beyond high school (signing day pictures), friendships made, coaches perspectives, team bonding, house decorations for seniors, etc.
- HOBBIES & INTERESTS - have you started new hobbies, collections, skills; how did you pass the time?
- EFFECTS OF COVID — schooling expectations, online learning, social distancing, stay at home effects, do you have family who are serving on the front lines, has your family been impacted by this virus in some way, impacts of social isolation and social distancing, the learning environment from home, has this helped to bring your family together for meals, games, or other things to pass the time. How did you stay in contact with your friends? Did you have a birthday drive-by parade? Have you realized what you truly miss through this or what you took for granted? We want to know all about it!
- CLUBS & ACTIVITIES — Although many are not formally happening, do you have pictures from any of these activities from this year or past years? What do you miss if you did not have it this year?
- SCHOOL EVENTS/ACTIVITIES — do you have photos from previous year’s activities and events? (C6, homecoming, flag football, ANYTHING! Send us your pictures along with a description of the events or what was going on. The more we have, the more we can feature.

NOTE: PLEASE check your school email frequently as we will be sending out requests for surveys, yearbook submission topics, and so much more!

HOW DO I SUBMIT CONTENT TO THE YEARBOOK

There are 2 methods for submitting content to the yearbook. Remember, it is your book and we greatly appreciate your submissions.

1. We have an app/website where you can upload content to our yearbook server. You can download the app to your phone or you may access using the website shown. Be sure to use the school code **5241**. The benefit of using this process is that you can caption the photo(s) when sending.

Help tell the story of the year!
Share your photos of your friends, school activities and events for the yearbook.

HJeSHARE app (download for iPhone or Android)
www.hjeshare.com
Enter school code: 5241

We can't guarantee that all photos submitted will be published, but if you don't share, we can't consider your pictures.

2. The other option is to email me directly at LGilliard@basdschools.org. If you are emailing me directly, please be sure to provide a subject for your email like "Yearbook Photo Submissions for ____ topic" in your subject line so my messages can be organized quickly.
