It's easy to be "Husky Proud" when you are a Miller Heights family, which in turn means, being part of the Miller Heights team!"

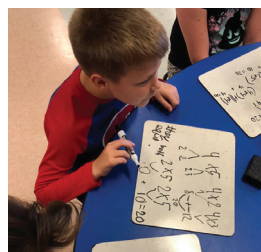

"There is a true sense of equality among the students at Miller Heights."

"Miller Heights is a family.... all the staff, teachers, and the Principal provide such a supportive, nurturing environment. I wouldn't want my children to be anywhere else!"

"The staff loves our students just as much as we do, as parents."
