Vision for Learning

Vision for Learning

Nitschmann Middle School is committed to cultivating a respectful community of innovative learners who are socially competent citizens ready to meet the challenges of their future. In light of the challenges posed by post-pandemic education, we are committed to building relationships with our students and families, challenging each other to achieve grade-level competency and habits which will support our further growth.

Future Ready PA Index

Select the grade levels served by your school. Select all that apply.

Review of the School Level Performance

Strengths

Indicator	Comments/Notable Observations
English Language Arts	More than half (51.6%) of our students met proficiency standards.
Mathematics	"All students" group exceeded the Growth standard (80.3)
English Language Arts PVAAS	Grade 7 meets the standard for PVAAS, and Grade 8 is Well Above the standard.
Mathematics PVAAS	Grades 6 and 7 meet the standard for PVAAS, and Grade 8 is Well Above the standard.
Attendance	School-wide attendance improved this year.
English Language - WIDA	Sixteen of the thirty-five students will move up a level on their WIDA assessment, and three students will be reclassified to exit.

Challenges

Indicator	Comments/Notable Observations
English Language Arts	Student performance (51.6 %) lags the state average and the statewide goal.
Mathematics	Student performance (32.6%) falls below the state average and the statewide goal.
English Language Arts PVAAS	Grade 6 falls well below the PVAAS growth measure.

Review of Grade Level(s) and Individual Student Group(s)

Strengths

Indicator	Comments/Notable Observations
English Language Arts ESSA Student Subgroups African-American/Black, Combined Ethnicity, Multi-Racial	African-American, Economically Disadvantaged, and combined ethnicity sub-groups demonstrated improvement from the previous year.

(not Hispanic), Economically Disadvantaged	
Indicator Mathematics ESSA Student Subgroups African-American/Black, Asian (not Hispanic), Combined Ethnicity, Hispanic, White, Economically Disadvantaged, English Learners, Students with Disabilities	Comments/Notable Observations Asian, African American, White, African-American, Hispanic, English Learners, Economically Disadvantaged, and Students with Disabilities student sub-groups demonstrated improvement in percent proficient or advanced from the previous year.
Indicator English Language Arts PVAAS ESSA Student Subgroups	Comments/Notable Observations African American, Economically Disadvantaged, and Combined Ethnicity subgroups showed positive growth in PVAAS
Indicator Math PVAAS ESSA Student Subgroups	Comments/Notable Observations ALL student sub-groups showed growth this year

Challenges

Indicator English Language Arts ESSA Student Subgroups Hispanic, Students with Disabilities	Comments/Notable Observations Hispanic and Students with Disabilities performances did not meet state standards and/or declined this year.
Indicator Mathematics ESSA Student Subgroups Multi-Racial (not Hispanic)	Comments/Notable Observations Multi-racial performance did not meet state standards and/or declined this year.
Indicator English Language Arts PVAAS ESSA Student Subgroups	Comments/Notable Observations Hispanic, White, English Learners, and Students with Disabilities sub-group performances are declining year over year.
Indicator ESSA Student Subgroups	Comments/Notable Observations

Summary

Strengths

Review the strengths listed above and copy and paste 2-5 strengths which have had the most impact in improving your most pressing challenges.

We are seeing an increase or maintenance in performance in ELA and Math for eleven of eighteen student groups
We are seeing an increase in PVAAS growth in ELA (three of seven) and Math (all) student groups
We met the growth standard in Mathematics.
Attendance improved in this school year.

Challenges

Review the challenges listed above and copy and paste 2-5 challenges if improved would have the most impact in achieving your Future Ready PA index targets.

English Language Growth and Attainment scores are very low, which is one of the reasons for our TSI status.
PSSA scores are still below the state cutline

Local Assessment

English Language Arts

Data	Comments/Notable Observations
Acadience - Grade 6	77% of grade 6 students meet or exceed the Acadience grade level benchmark.
Acadience - Grade 7	55% of grade 7 students meet or exceed the grade level benchmark.
Acadience - Grade 8	55% of grade 8 students meet or exceed the grade level benchmark.

English Language Arts Summary

Strengths

All grade levels improved on the Acadience Benchmark this year.
Incoming students to Nitschman have very strong reading fundamentals.
77% of grade 6 students meet or exceed the grade level benchmark
All core teachers have received training in Keys to Literacy

Challenges

Grades 7 and 8 lag behind grade 6 in Acadience data.

Mathematics

Data	Comments/Notable Observations
IXL data - Grade 6	47% of grade 6 students meet or exceed grade-level standards on IXL.
IXL data - Grade 7	31% of grade 7 students meet or exceed grade-level standards on IXL.
IXL data - Grade 8	29% of grade 8 students meet or exceed grade-level standards on IXL

Mathematics Summary

Strengths

We have a coaching system in place for Math teachers.
We have a new comprehensive curriculum in Math.

Challenges

Our grade levels are still below standard in math.
Math results greatly lag reading results

Many of our students require both math and literacy intervention, straining our intervention resources

Science, Technology, and Engineering Education

Data	Comments/Notable Observations
PSSA - Science	56.3 of grade 8 students met or exceeded grade-level standards in Science and 77% met the growth standard.

Science, Technology, and Engineering Education Summary

Strengths

Half of our students are proficient in science

Challenges

Less than half of our students are not proficient in science

Related Academics

Career Readiness

Data	Comments/Notable Observations
Career Standards Benchmarks	Nearly 96% of our students met the career readiness benchmark.

Career and Technical Education (CTE) Programs

True Career and Technical Education (CTE) Programs Omit

Arts and Humanities

True Arts and Humanities Omit

Environment and Ecology

True Environment and Ecology Omit

Family and Consumer Sciences

True Family and Consumer Sciences Omit

Health, Safety, and Physical Education

True Health, Safety, and Physical Education Omit

Social Studies (Civics and Government, Economics, Geography, History)

True Social Studies (Civics and Government, Economics, Geography, History) Omit

Summary

Strengths

Review the comments and notable observations listed previously and record 2-5 strengths which have had the most impact in improving your most pressing challenges.

Our district has an established procedure for meeting career standard benchmarks.
Our staff appears to understand how to get the students to complete the career standard benchmarks

Challenges

Review the comments and notable observations listed previously and record 2-5 Challenges which if improved would have the most impact in achieving your Mission and Vision.

We need to help students with disabilities to complete the career standard benchmarks.

We could improve our integration between our day-to-day activities and career readiness.

Equity Considerations

English Learners

False This student group is not a focus in this plan.

Data	Comments/Notable Observations
PA Future Ready Index - English Language Growth and Attainment	54% of EL students were able to move up a level on the WIDA or exit.

Students with Disabilities

True This student group is not a focus in this plan.

Students Considered Economically Disadvantaged

True This student group is not a focus in this plan.

Student Groups by Race/Ethnicity

True This student group is not a focus in this plan.

Summary

Strengths

Review the comments and notable observations listed previously and record the 2-5 strengths which have had the most impact in improving your most pressing challenges.

Initial data indicates our attendance improved in the 24-5 school year.
Student with disabilities and English Learner sub-groups were able to increase performance in some areas on our Future Ready Index
54% of our EL students were able to move up a level or exit based on the WIDA.

Challenges

Review the comments and notable observations listed previously and record the 2-5 Challenges which if improved would have the most impact in achieving your Mission and Vision.

Economically Disadvantaged and Students with Disabilities still lag behind their counterparts significantly.
We can still improve our servicing for our ESL students.

Conditions for Leadership, Teaching, and Learning

Focus on Continuous improvement of Instruction

Align curricular materials and lesson plans to the PA Standards	Operational
Use systematic, collaborative planning processes to ensure instruction is coordinated, aligned, and evidence-based	Operational
Use a variety of assessments (including diagnostic, formative, and summative) to monitor student learning and adjust programs and instructional practices	Operational
Identify and address individual student learning needs	Emerging
Provide frequent, timely, and systematic feedback and support on instructional practices	Emerging

Empower Leadership

Foster a culture of high expectations for success for all students, educators, families, and community members	Emerging
Collectively shape the vision for continuous improvement of teaching and learning	Emerging
Build leadership capacity and empower staff in the development and successful implementation of initiatives that better serve students, staff, and the school	Emerging
Organize programmatic, human, and fiscal capital resources aligned with the school improvement plan and needs of the school community	Operational
Continuously monitor implementation of the school improvement plan and adjust as needed	Emerging

Provide Student-Centered Support Systems

Promote and sustain a positive school environment where all members feel welcomed, supported, and safe in school: socially, emotionally, intellectually and physically	Operational
Implement an evidence-based system of schoolwide positive behavior interventions and supports	Operational
Implement a multi-tiered system of supports for academics and behavior	Operational
Implement evidence-based strategies to engage families to support learning	Emerging
Partner with local businesses, community organizations, and other agencies to meet the needs of the school	Emerging

Foster Quality Professional Learning

Identify professional learning needs through analysis of a variety of data	Operational
Use multiple professional learning designs to support the learning needs of staff	Operational
Monitor and evaluate the impact of professional learning on staff practices and student learning	Emerging

Summary

Strengths

Which Essential Practices are currently Operational or Exemplary and could be leveraged in your efforts to improve upon your most pressing challenges?

Align curricular materials and lesson plans to the PA Standards
Organize programmatic, human, and fiscal capital resources aligned with the school improvement plan and needs of the school community
Use multiple professional learning designs to support the learning needs of staff
Identify professional learning needs through analysis of a variety of data
Promote and sustain a positive school environment where all members feel welcomed, supported, and safe in school: socially, emotionally, intellectually and physically

Challenges

Thinking about all the most pressing challenges identified in the previous sections, which of the Essential Practices that are currently Not Yet Evident or Emerging, if improved, would greatly impact your progress in achieving your mission, vision and Future Ready PA Index interim targets in State Assessment Measures, On-Track Measures, or College and Career Measures?

Build leadership capacity and empower staff in the development and successful implementation of initiatives that better serve students, staff, and the school
Use a variety of assessments (including diagnostic, formative, and summative) to monitor student learning and adjust programs and instructional practices
Foster a culture of high expectations for success for all students, educators, families, and community members
Provide frequent, timely, and systematic feedback and support on instructional practices

Summary of Strengths and Challenges from the Needs Assessment

Strengths

Examine the Summary of Strengths. Identify the strengths that are most positively contributing to achievement of your mission and vision. Check the box to the right of these identified strength(s).

Strength	Check for Consideration in Plan
Attendance improved in this school year.	True
We are seeing an increase or maintenance in performance in ELA and Math for eleven of eighteen student groups	True
All grade levels improved on the Acadience Benchmark this year.	True
Incoming students to Nitschman have very strong reading fundamentals.	False
We are seeing an increase in PVAAS growth in ELA (three of seven) and Math (all) student groups	True
We met the growth standard in Mathematics.	True
77% of grade 6 students meet or exceed the grade level benchmark	True
All core teachers have received training in Keys to Literacy	True
Our district has an established procedure for meeting career standard benchmarks.	False

Most Notable Observations/Patterns

In the space provided, record any of the comments and notable observations made as your team worked through the needs assessment that stand out as important to the challenge(s) you checked for consideration in your comprehensive plan.

Analyzing (Strengths and Challenges)

Analyzing Challenges

Analyzing Challenges	Discussion Points	Check for Priority
PSSA scores are still below the state cutline	How can we build upon our growth in PSSA scores to move scores further?	False
Build leadership capacity and empower staff in the development and successful implementation of initiatives that better serve students, staff, and the school	How can we improve the climate and culture of our school?	True
Use a variety of assessments (including diagnostic, formative, and summative) to monitor student learning and adjust programs and instructional practices	How can we more fully integrate the use of assessments into our planning and use them in a more formative way?	True
Provide frequent, timely, and systematic feedback and support on instructional practices		False
We can still improve our servicing for our ESL students.		False
English Language Growth and Attainment scores are very low, which is one of the reasons for our TSI status.	How can we improve our English Learner results?	True

Analyzing Strengths

Analyzing Strengths	Discussion Points
All grade levels improved on the Acadience Benchmark this year.	How can we maintain these performance levels as we shift resources to shore up other needs?
77% of grade 6 students meet or exceed the grade level benchmark	How can we build on this success to increase literacy scores in grades 7 and 8?
All core teachers have received training in Keys to Literacy	How can we best support the flourishing of Keys to Literacy practices in our school?
Attendance improved in this school year.	How can we maintain these performance levels as we shift resources to shore up other needs?
We are seeing an increase or maintenance in performance in ELA and Math for eleven of eighteen student groups	How can we maintain these performance levels as we shift resources to shore up other needs?
We are seeing an increase in PVAAS growth in ELA (three of seven) and Math (all) student groups	How can we maintain these levels of performance as we shift resources to shore up other needs?
We met the growth standard in Mathematics.	How can we maintain these performance levels as we

	shift resources to shore up other needs?
Promote and sustain a positive school environment where all members feel welcomed, supported, and safe in school: socially, emotionally, intellectually and physically	How can we continue to grow our Leader in Me initiative?
We have a coaching system in place for Math teachers.	How can we best support institutionalizing good math practices in our school?

Priority Challenges

Analyzing Priority Challenges	Priority Statements
	It is a priority of the Nitschmann Middle School Community to sustain a positive school environment where all members feel welcomed, supported, and safe in school: socially, emotionally, intellectually and physically through the implementation of Leader in Me and Restorative Practices, the prioritization of relationships with students and families, and the implementation of trauma-based instruction.
	It is a priority of the Nitschmann Middle School Community to implement diagnostic and formative assessments to target individualized student instruction in core and intervention classes
	It is a priority of the Nitschmann Middle School Community to support English Language learners through sound instruction, aligned assessment, and targeted intervention designed to increase their attainment of the English Language.

Goal Setting

Priority: It is a priority of the Nitschmann Middle School Community to sustain a positive school environment where all members feel welcomed, supported, and safe in school: socially, emotionally, intellectually and physically through the implementation of Leader in Me and Restorative Practices, the prioritization of relationships with students and families, and the implementation of trauma-based instruction.

Outcome Category			
School climate and culture			
Measurable Goal Statement (Smart Goal)			
All Nitschmann students will complete the Leader in Me Curriculum for their assigned grade during extended homeroom period.			
Measurable Goal Nickname (35 Character Max)			
LIM Direct Teach			
Target 1st Quarter	Target 2nd Quarter	Target 3rd Quarter	Target 4th Quarter
All classes will reach Module 9 by the end of the first quarter.	All classes will reach Module 18 by the end of the second quarter.	All classes will reach Module 27 by the end of the third quarter.	All classes will reach Module 35 by the end of the fourth quarter.

Priority: It is a priority of the Nitschmann Middle School Community to implement diagnostic and formative assessments to target individualized student instruction in core and intervention classes

Outcome Category			
Essential Practices 3: Provide Student-Centered Support Systems			
Measurable Goal Statement (Smart Goal)			
Through weekly data meetings, each Nitschmann team will provide evidence of the use of formative assessments in Literacy and Mathematics to change or verify lesson plans in core instruction			
Measurable Goal Nickname (35 Character Max)			
Use of Data			
Target 1st Quarter	Target 2nd Quarter	Target 3rd Quarter	Target 4th Quarter
Each core academic and intervention teacher will demonstrate use of data in their lesson planning	Each core academic and intervention teacher will demonstrate use of data in their lesson planning	Each core academic and intervention teacher will demonstrate use of data in their lesson planning	Each core academic and intervention teacher will demonstrate use of data in their lesson planning

Outcome Category

Mathematics			
Measurable Goal Statement (Smart Goal)			
Each student at Nitschmann will raise their IXL benchmark scores by a minimum of one hundred points.			
Measurable Goal Nickname (35 Character Max)			
IXL Growth			
Target 1st Quarter	Target 2nd Quarter	Target 3rd Quarter	Target 4th Quarter
Each student at Nitschmann will raise their IXL benchmark scores by at least 25 points by the end of the first quarter	Each student at Nitschmann will raise their IXL benchmark scores by at least 50 points by the end of the second quarter.	Each student at Nitschmann will raise their IXL benchmark scores by at least 75 points by the end of the third quarter.	Each student at Nitschmann will raise their IXL benchmark scores by at least 100 points by the end of the fourth quarter.

Priority: It is a priority of the Nitschmann Middle School Community to support English Language learners through sound instruction, aligned assessment, and targeted intervention designed to increase their attainment of the English Language.

Outcome Category			
English Language Growth and Attainment			
Measurable Goal Statement (Smart Goal)			
Each English Learner student at Nitschmann will raise their Acadience benchmark scores at a minimum of the "typical growth" progress pathway as measured on Acadience Progress Monitoring			
Measurable Goal Nickname (35 Character Max)			
Acadience Growth.			
Target 1st Quarter	Target 2nd Quarter	Target 3rd Quarter	Target 4th Quarter
Progress monitoring demonstrates that all students have a trend line that at least matches "typical progress"	MOY benchmarking demonstrates that all students have a trend line that at least matches "typical progress"	Progress monitoring demonstrates that all students have a trend line that at least matches "typical progress"	EOY benchmarking demonstrates that all students have a trend line that at least matches "typical progress"

Action Plan

Measurable Goals

IXL Growth	LIM Direct Teach
Use of Data	Acadience Growth.

Action Plan For: Literacy Instruction in a Student's Native Language

Measurable Goals:
<ul style="list-style-type: none">Each English Learner student at Nitschmann will raise their Acadience benchmark scores at a minimum of the "typical growth" progress pathway as measured on Acadience Progress Monitoring

Action Step		Anticipated Start/Completion Date	
Each ELL student will be scheduled for a period of ELL intervention. Level 1 and 2 students will receive ELL literacy development and literacy classes in addition to this intervention		2025-08-25	2026-06-08
Lead Person/Position	Material/Resources/Supports Needed	PD Step?	
Bartolacci/ESL Teacher	District ELL curriculum, Acadience data	No	

Anticipated Output	Monitoring/Evaluation (People, Frequency, and Method)
Improved attainment of English language skills	Bartolacci, Bi-weekly, Lexia and Ellevation progress monitoring

Action Plan For: Integrated SEL Instruction

Measurable Goals:
<ul style="list-style-type: none">All Nitschmann students will complete the Leader in Me Curriculum for their assigned grade during extended homeroom period.

Action Step		Anticipated Start/Completion Date	
All Nitschmann students will complete the Leader in Me Curriculum for their assigned grade during extended homeroom period.		2025-08-25	2026-06-08

Lead Person/Position	Material/Resources/Supports Needed	PD Step?	
Dr. Eric J. Smith/Principal Ca Misha Stewart/Assistant Principal	Leader in Me Direct Teaching Resources on Leader in Me Website	Yes	

Anticipated Output	Monitoring/Evaluation (People, Frequency, and Method)
Completion of Weekly Leader in Me Lessons	Principal, Weekly, supervision daily of lessons

Action Plan For: Lexia/IXL

Measurable Goals:
<ul style="list-style-type: none"> Each student at Nitschmann will raise their IXL benchmark scores by a minimum of one hundred points. Through weekly data meetings, each Nitschmann team will provide evidence of the use of formative assessments in Literacy and Mathematics to change or verify lesson plans in core instruction

Action Step	Anticipated Start/Completion Date	
During weekly data meetings, teachers will present student data, reflect on current progress, and plan next steps for student growth	2025-06-25	2026-06-08
Lead Person/Position	Material/Resources/Supports Needed	PD Step?
Dr. Eric J. Smith/Principal Amanda Miranda/Assistant Principal	Lexia/IXL/Acadience/Desmos	Yes

Anticipated Output	Monitoring/Evaluation (People, Frequency, and Method)
Improved Acadience and IXL scores	Principal and Data Leaders, Weekly, progress monitoring in Lexia and IXL software

Expenditure Tables

School Improvement Set Aside Grant

True School does not receive School Improvement Set Aside Grant.

Schoolwide Title 1 Funding Allocation

True School does not receive Schoolwide Title 1 funding.

Professional Development

Professional Development Action Steps

Evidence-based Strategy	Action Steps
Integrated SEL Instruction	All Nitschmann students will complete the Leader in Me Curriculum for their assigned grade during extended homeroom period.
Lexia/IXL	During weekly data meetings, teachers will present student data, reflect on current progress, and plan next steps for student growth

Leader in Me Training

Action Step
