

BASD EDUCATION WEEK
October 9 – 12, 2018

Dear Northeast Parents:

Please join us and visit your child's school and classroom(s) during BASD Education Week, which we will celebrate from October 9, 2018 through October 12, 2018. As you know, you are welcome to visit the school anytime, but we especially look forward to seeing you during this special week.

We have designated specific times for particular levels so you will have a total picture of all programs at the various levels. Please do your best to adhere to this schedule. As you plan your visit, please check with your child for individual student schedules. Also please note that we welcome grandparents or significant elders of students to visit during the grade level visitation times. We know how important our extended families have become. Finally just a reminder that we ask that you do not bring pre-school children with you, as past experience has shown that this can be disruptive. We appreciate your support during this week and throughout the school year.

We are looking forward to having you visit with us.

Mr. RaHS, Mr. Sawicki,
 and the entire Northeast Staff
