

Northeast Middle School PTO
Candle Fundraiser

Dear Families,

We are running a La-Tee-Da "SOY CANDLE" fundraiser. All monies raised go towards field trips, dances, sports for our students. Please help us raise funds for our students by asking friends and family members to purchase an item or two from the catalog or online.

Please register on our link below and reach out to friends and family around the country. They can support us by purchasing these quality candles too.
