Northeast Middle School

"Northeast P.R.O.U.D!"

Our Vision:

The Northeast Middle School vision is to empower our learners using high expectations and collaborative supports to become productive, educated community members.

Mission Statement:

It is our mission here at Northeast to educate and support our learners with rigorous and relevant content and skills. We aspire to this goal by incorporating high expectations and abundant support. Students will grow here and will leave educationally prepared as resourceful, collaborative 21st century community members. We will accomplish this mission with the support of our families, our community, our dynamic staff and the involvement of our enthusiastic students.

Academics

All students are scheduled for language arts, mathematics, reading, science, and social studies. Students also attend two periods of related arts that include art, music, technology, family consumer science, industrial arts, health/physical education, and foreign language (or literacy/math development).

Northeast P.R.O.U.D. Initiative

The Northeast P.R.O.U.D. Society recognizes our students for going above and beyond academically and behaviorally by showing Pride, Responsibility, Opportunity, Unity and Dedication.

Northeast Parent/Teacher Organization

Our NEPTO meets monthly in our school cafeteria. Most of our monthly meetings precede our Band Association meetings which are held on the third Wednesday of each month. Should you need to speak with a NEPTO officer, please leave a message with one of the school secretaries.
