
NEMSTC (NEMS Theatre Company)
CLUB ADVISOR: Ms. Thomas, Mrs. Klose, and
Mrs. Parker

We do a musical every year, open to all
grade levels. Auditions will be held at the
end of October/early November, with
rehearsals from November until March.

The musical will be performed for the
public in early March.

Super Hero Research Club

Advisor: Mr. Spieker

**Learn about, read about, and discuss Superheros
& Villains by integrating ways of the writing
process through debate & persuasive pieces. We
will be watching short video clips, arguing points,
and diving into the realm of Marvel and DC Comics,
and other areas! Come Join the club! Limited Spots
only for 7th and 8th graders!**

Dance Team

Advisor: Mr. Huie

Students can audition to be part of the
Hip Hop dance team and have a great
time! We dance at Pep Rallies, Talent
Shows, and other events! Try Outs will
be held in the coming weeks.

WORLD LANGUAGE CLUB

Club Advisors: Mrs. Johnson, Ms. Danner,
and Ms. Thomas

World Languages Club is open to all students. In
this club, students will learn about different
cultures, including the music, art, food, and
holidays celebrated in Spanish-, German-, and
French-speaking countries.

STRATEGIC GAME CLUB

CLUB ADVISOR: MRS. VANDERSTEL

2 Hour Sessions (3:30 - 5:30)

*Students will engage in friendly competitive
play as they are trained in various strategy
games. Social skills such as camaraderie,
patience, and sportsmanship as well as
learning targets such as spatial sense and
strategic planning will also be exercised.
Students will have the opportunity to spend
time strategizing through the games of: Risk,
Settler's of Catan, Monopoly, and Ticket to
Ride - as they will be presented and explained.*

SCHOOL NEWSPAPER

CLUB ADVISOR: Ms. Troutman

Students will lead their own reporting of school
news and learn principles of journalism and non-
fiction writing in the process.

Survive the Zombie Apocalypse Club

ADVISORS: MRS. PAPAGNI AND MR. SPIEKER

This biology-based survivors club will cover basic
epidemiology. Students will track the origin of a
fictitious virus, research common viruses that have
had a significant impact on society, and work on an
individual emergency preparedness plan. We will
use the curriculum created by the Center for
Disease Control and Prevention. Students will
develop and increase vocabulary while working
individually as well as in teams.

Art Smarts

Advisor: Mrs. Korhammer

If you would like to learn a skill or medium more in
depth, this club is for you! If you are curious about
the history behind the art and/or artists, this club is
for you. If you just enjoy art and want to have some
more fun with it, then this club is definitely for you.
We will meet in Mrs. Korhammer's room, D202,
Tues. and Wed. 3:15-5:00.

MATH NERDS AND BRAIN BASHERS

CLUB ADVISORS: Mrs. Shive and Mrs. Papagni

Students rotate around six stations completing tasks that are frustrating, challenging, yet addictive and fun. Stations change weekly and are intended to make students think and problem solve. There is a computer station, a hands-on brain teaser station (think Rubic's Cube), two math puzzle stations and two word puzzle stations.

Come have some fun with frustration!

RALLY 4 PEACE

Advisors: Mr. Bellman, Mrs. Parker
Mrs. Braun and Ms. Doncsecz

The purpose of the Rally 4 Peace program is to provide students in grades 6 through 8 with an opportunity to compose or create a unique and original piece of art that represents their thoughts and feelings about peace, or barriers to it. We are looking for many different expressions of art including, but not limited to: poetry, song, rap, spoken work, multimedia, photography, dance, skits or plays, etc. Our number one concern is that the piece be original. We meet twice a week, Wednesday and Thursday from 3:15-4:15. We culminate the activity with a school wide assembly with students performing their original pieces, and possibly another performance in the community. We hope to continue our collaboration with Lehigh University, expand to Moravian College, and other like-minded local organizations. We look forward to having you join us.

STEP TEAM

Students dance and make beats with their hands and feet

Advisor: Felicia Bauder

Student coach-- Sephora Delva

ROBOTICS CLUB

CLUB ADVISORS: Mr. Patterson and Mrs. Papagni
Students in Robotics Club will create 13 different solar powered robots. Students will assemble robots by following instruction manuals, problem solve for themselves, work in teams, and learn through trial and error. 6th graders who participate in beginning robotics will be allowed to participate in Advanced Robotics in 7th and 8th grade. Advanced Robotics includes soldering circuit boards, team work, and an intro to electricity.

DEBATE CLUB

Advisors - Mr. Gross and Ms. Schenk
Would you like the opportunity to voice your opinions in a controlled environment? Please come and enjoy the Debate Club. It involves research, opinion formulating, and public speaking skills.
Time: Tuesdays after school
Place: Room A105

Knitting Club

Club Advisor: Miss Ayre

Students will learn basic stitches to knit their own scarf and/or other knitted projects.

STUDENT LEADERSHIP

Advisors: Ms. Swavely, Mrs. Braidon, and Mrs. Nehilla

Welcome to all students in grades 6,7,and 8.

This club meets every Day 4 during activity period in our school library. Student Leadership is perfect for students who can't commit time after school but want to be involved! Student Leadership members will have opportunities to show their leadership at Northeast throughout the year. Be a leader and join!

Northeast Singers, Boys Group, and Girls Group.

Advisor: Mrs. Parker

-All three groups are auditioned, and are for all grade levels.
-Members of the auditioned group MUST be members of their grade level choruses.
-Rehearsal schedule is on the PUMAS website or on the morning announcements.
-We perform a variety of genres/styles of music, with concerts both in the Winter and Spring.

READING OLYMPICS

Advisors - Mary Roehrenbeck, Sheri Majczan
Club members gather every other Thursday (beginning October 1st) in A300, from 3:05 - 4:05. During that time, students update a database of books they have read, participate in discussions, and write question/answer sets for a book they have read. Students choose books from a set list, which was the NE summer reading list, and all books are available in our NE library. We use Google Hang-out with other BASD middle schools to practice answering questions about the books, in preparation for the Spring Reading Challenge. The Spring Reading Challenge, held at Easton High School (May 4, 2017) brings together over 400 students from the Lehigh Valley and beyond to compete in a game show atmosphere using questions about the books on the book list.

Chess Club

ADVISOR- MR. SPEIKER

Chess Club provides an opportunity to start homework after school with teacher supervision. Shortly after, students are welcome to engage in novice chess playing to competitive mini tournaments with specialty chess boards and small life-size pieces. Students will learn the rule of chess, make mathematical connections, and demonstrate sportsmanship. In addition, the Liberty Chess Coach has asked to get more involved with Northeast's Chess Club. Meet and greets will be planned with Liberty.

Afterschool - Este Rocket Club –

Advisor- Mr. Flok – Reading Specialist
Instructions on building and launching of Este Rockets with engines. We will be building, designing, and painting the rockets. This will be designated for 6th graders and previous rocket club members.
