

# Northeast Middle School Mathematics Department Technology Information for Students

---

BASD G Suite for Education is the access point for most District Technology Application Links for Students

- Clever
- Pearson
- Schoology
- Google Suite (Drive, Gmail, etc.)

<https://sites.google.com/a/basdschools.org/google/>

---

Schoology (access from BASD G Suite for Education)

Schoology is the main hub for students and parents or guardians to check grades, daily or weekly agendas (with topics, assignments, and due dates), missing assignments, and class updates and announcements.

- Grade Book
  - Daily or Weekly Agendas
  - Updates and Announcements
- 

Pearson (access from BASD G Suite for Education)

Pearson is the main portal to the enVision 2.0 Mathematics online curriculum which includes, e-texts, assignments, quizzes and topic assessments.

- e-Text
- Classroom videos and examples
- Lesson assignments through MathXL for Schools
- Intervention Supports and Enrichment
- Quizzes and Assessments

Pearson is where students are assigned classwork, homework, and assessments to be completed and turned in online. Online resources mirror the Student consumable envision 2.0 Textbook.

---

IXL

IXL is a comprehensive, standards-aligned math practice program offering unlimited problems in thousands of skills that support the enVision 2.0 Curriculum Topics.
