

The **SPRING** GARDEN *Scoop*

The latest information, entertainment, and opinions at Spring Garden Elementary School

Ask US!

by Casey & Tyler

Dear Ask Us,
I feel left out because all my friends always talk about a video games that I don't play. I have no idea what they are talking about. What should I do?

From,
Leftout532

Dear Leftout532,
You should tell your friends that you don't know what they are talking about and you should ask them if you and your friends can talk about something you all know about.

From,
Ask Us

Dear Ask Us,
Lately I have been wanting to play sports at recess and every time I tried to ask to join they said no and I felt sad because I had no idea what else to play. What should I do or say?

From,
Sports2352

Dear Sports2352,
You should tell them how bad you feel since you can't play. You should make them think of how they would feel if they were in your shoes. If that doesn't work, try playing with other people.

From,
Ask Us

Were You an April Fool?

by Anya & Emma

April Fool's Day is a traditional day for jokes and pranks. But this year was extra special, April 1st, also known as April Fool's Day, fell on Easter Sunday. It is a special tradition to pull friendly pranks on your family and friends on April Fool's Day. Some historians believe the April Fool's customs began in France, although no one knows for sure. Some pranks include printing out fake insects and putting them on lamps, taking out the filling of an oreo and replacing it with toothpaste, and replacing the cream filling in a donut with mayo. Some of these pranks can get slightly mean so we always try to remember to make our pranks just fun or silly and make sure they will be fine in the end. A lot of people like to find really good pranks and jokes to play on people from the internet but some people still stick to just making up their own.

Most people who have tried to pull a prank on April Fool's Day know that it can be hard and requires you to be very sneaky, because a lot of people have had their pranks foiled while trying to make them believable. But even if your prank is foiled you have to remember that pulling a prank is hard so you have to learn from experience and find the best way that you can pull a prank on somebody without them noticing what your doing. Sometimes the key to a good prank is to do it when they don't expect you to pull one. If you don't talk about any pranks and do your work sneakily, often with a diversion, then the person you're pranking might never see it coming, As you can see, April Fool's Day really is the day designated for pranks. What pranks did you pull this year?

Join Us for Isa's Run

by Delyla & Julia

Isa's Run is a running and walking event to raise money for kids who are fighting cancer. The run honors Isa, a Spring Garden student, who was diagnosed with cancer and is now in remission. Mrs. Gonzalez, her mom, wanted to give back, so she learned more about Alex's Lemonade Stand Foundation and decided to create a 5K. The event brings the community together to raise money for a good cause.

This year's event will be on May 19 at the Bethlehem Township Municipal Park. Sign up and help us raise money to cure childhood cancer! Help us make a difference!

The Yearbooks Are Coming!

by Brianna & Caroline

Every year at Spring Garden, students and staff are offered the opportunity to buy a yearbook. The yearbook contains pictures and memories of the entire school year. The Yearbook Club has about twelve 5th graders who help the teachers create the book. Yearbooks cost \$16.00. Every year students look forward to getting their book. If you ordered a yearbook, look for your copy to arrive around May 25th.

David Lubar

by Nate & Ryan

David Lubar came to visit 5th grade at Spring Garden on April 12th. The famous local author conducted a writing workshop with students. Students thought of ideas like "What If" and made up cool titles. Mr. Lubar also gave us advice on writing. All his books were showcased in the 5th grade hallway, and we even could buy some that were autographed! David Lubar comes almost every year, and fifth grade is honored to meet and write with him.

Math Fun in 3rd Grade

by Aleksandra & Michael L.

Coming up in May is an amazing field trip for 3rd grade, Math Fun Day. On May 9th, third grade will be going around to various stores, events, and restaurants. The first location 3rd grade will head to is Town and Country Lanes for some bowling fun. There is just one thing different with the scoreboard, it doesn't work that day. The 3rd graders have to record the scores themselves.

As the 3rd graders progress, they will enter Giant food store for an amazing scavenger hunt. Then, the classes stop for lunch. For the peanut free group, they eat at Frank's Pizza. For the other group, they go to Texas Roadhouse.

Finally, to end this amazing day, the 3rd graders go around the school for some math games and activities run by parent volunteers. We all wish you good luck on your Math Fun Day field trip.

GOTR Fundraiser

by Felicia

On Thursday, April 12, Felicia Reyes was interviewed for Girls on the Run at Hotel Bethlehem at an event called Champagne and Cupcakes. Hotel Bethlehem is a very fancy, historical hotel on Main Street in Bethlehem. Along with student interviews, there was a cupcake contest where guests voted at the event.

Girls on the Run is a running and empowerment program for girls that started this year at our school by Miss Dowches and Miss Gregoris. This Hotel Bethlehem event was a fundraiser so girls can join Girls on the Run for little to no money.

Miss Gregoris, Felicia, and Miss Dowches at the Girls On The Run Fundraiser

Jokes for April Fools

by Alonza & Andrew

When do monkeys fall from the sky?
During Ape-ril!

Why is the letter A like a flower?
A bee (B) comes after it!

What season is it when you are on a trampoline?
Spring-time!

Can bees fly in the rain?
Not without their little yellow jackets!

What did the tree say to spring?
What a re-leaf!

Why did Cinderella get kicked off the baseball team?
She always ran away from the ball!

Name a bow that can't be tied.
A rainbow!
