

You are being asked to complete a survey as part of an annual assessment to help members of the school community understand how everyone feels about your child's school. There are no right or wrong answers— this is not a test! We just want to know how you feel.

Your responses will provide us with important information to help your child's school become even better. All of your responses are completely anonymous. No one from the school will ever see your answers, and no identifying information (such as name, child's name or survey ID) will be recorded with your answers. Individual responses are never seen by your school. The survey should take you approximately 10-15 minutes to complete. Please try to respond to all items.

**After you finish completing this survey, please fill out this flyer and return it to your child's homeroom teacher by Friday, May 4th to be eligible for a \$25 Amazon gift card giveaway!**
