

BROUGHAL MIDDLE SCHOOL

ENCOURAGE creative cooperation and individual growth

Principal: Rick Amato

Located in the heart of Bethlehem's culturally-rich South Side, Broughal Middle School is a community-oriented school. We empower students through a personalized education and our mission is to establish a strong, positive, restorative culture devoted to student achievement in a culturally diverse society. Our Farm to School program educates students in agricultural practices, where they get hands-on experience in the school's greenhouse. Our core expectations are: **Be Ready, Be Responsible, Be Respectful, and Be Focused.**

School Enrollment: 500 | Number of Faculty: 65 | Mascot: Broughal Rockets
School Colors: Navy Blue and Gold | School Day: 8:05am-3:05pm
Our students move on to Liberty High School.

FROM THE PRINCIPAL

"Broughal Middle School is one large community that encourages every member of our school family to belong, feel valued, and become successful leaders that thrive and enhance the flavor of the South Side."

WHAT PARENTS ARE SAYING

"Broughal Middle School is a place that encourages every student to develop a design for their life, create memories, and stay focused."

"Broughal is a place where community, culture, and family collide. I love that Broughal is walkable for my kids and a place where they can get in touch with community resources whenever they need. I love that my kids can go to school at a place where their parents and other family members attended, like a legacy. I also love that there are so many ways for them to be involved and be expressive. That is important to me."

BROUGHAL IN THE COMMUNITY

Broughal Middle School is a Community School that works with St. Luke's University Health Network, Just Born, The Hispanic Center Lehigh Valley, and Lehigh University to provide support services to meet the needs of our families.

- H.E.A.R.T.S. Clinic is a free health and wellness clinic that serves the uninsured residents of Bethlehem and Fountain Hill. It is provided in partnership with Temple/St. Luke's and the Bethlehem Health Bureau.
- Broughal's Immunization Clinic serves Bethlehem residents and is provided in partnership with the Bethlehem Health Bureau.
- The Community Voices Clinic provides free mental health services to meet the mental health needs of individuals, families, and children by offering family therapy, individual therapy, group therapy, and community workshops.
- Lehigh University students assist Broughal students in their learning experience and the University includes Broughal in many of its community outreach programs. (Broughal students are paired with Lehigh student tutors and work with mechanical engineering students to design, build, and test prototypical race cars.)
- Broughal's Community Clothing Closet serves South Bethlehem community members and is provided in partnership with Fountain Hill Community Elementary School, Donegan Community Elementary School, the Hispanic Center Lehigh Valley, and Just Born, Inc.

BETHLEHEM
 AREA SCHOOL DISTRICT

CONNECTING FAMILIES AND SCHOOLS

- Parents volunteer in the music department's four groups: Concert, Jazz, Marching Band, and Orchestra.
- The Drama Club produces one play during the school year with the help of many parent and student volunteers.
- The PTO seeks volunteers to help with various events throughout the year, such as movie night or game night for the students.
- The Farm to School Program is designed to enhance local agricultural sustainability in an urban setting by integrating gardening activities into the core content curriculum at Broughal Middle School, increasing growth yields by incorporating sustainable growth-intensive practices, and demonstrating the feasibility and desirability of greenhouse agriculture. Parent volunteers help maintain the greenhouse and plant, harvest, and cook the produce.
- Lehigh University provides Broughal with many services that benefit the community through their Community Service Office. The Lehigh CSO hosts Broughal Bowling, Spooktacular, Spring Fling, Parents Night Out, and Livin' La Vida Lehigh, all as outreach activities that Broughal families can enjoy.
