

## How to Read Your Child's Middle School Schedule

East Hills Middle School runs on a 6-day cycle schedule. Next to each course, you will see how frequently the class meets. Some courses meet each day of the cycle (1,2,3,4,5,6), some meet on just even days (2,4,6), some meet on just odd days (1,3,5). Additionally, some courses meet all year, some meet for a 45-day marking period (M), some meet for a 30-day rotation (R), and some meet for a 60-day trimester (T).

### All Students (Team, Citizenship, Charger Block)

At the top of your child's schedule, you will find a "House/Team" assignment. Your child will have all core classes with students who are assigned to the same grade-level house team, just in different groups for each class. All teams are equally balanced in gender, race, academic ability, special services, support needs, and elementary schools (for 6th grade only).
