Arrival & Dismissal

Parents/Guardians:

If you are dropping your child off at school, it is very important that you drop your child off at the car rider entrance at the school parking lot at the back of the building. We understand that the line can be rather long; however, we are doing the best we can to keep the line moving quickly. Again, please do not drop your child off in the bus loop lane. **Please do not pass through the cones on either sides of the bus loop to drop your child off and have them run across the bus lane. Our main priority is safety.**

Also, please do not park along the walker entrance loop. You are allowed to park on Monroe Street to walk your child to the walker entrance if you decide to walk them to the door.

You will also see the Freemansburg Police Department out assisting with arrival/d dismissal.

Thank you for working with us during arrival and dismissal.

Birthday Celebration Reminders

Parents/Guardians,

This is just a reminder that in our [Student/Parent handbook](#) in regards to student birthday celebrations - No food is allowed in school due to allergies and other health related concerns. Please review the handbook to see other suggestions that are allowed.

Thank you!

ALL SCHOOL EVENTS MAY BE HELD IN HALL OR GYMNASIUM.

BIRTHDAYS & INVITATIONS

While most students enjoy celebrating their birthday with their classmates, parents are required to adhere to the following guidelines:

- **No food or “goodie bags” will be allowed in school for birthdays.**
Non-food suggestions: Decorative pencils, a classroom game, a hardcover book for the classroom/school library, or school store gift certificates.
- Do not send in balloons, flowers, gifts for the birthday student, candles, etc. These items will not be distributed during school hours.
- Do not have items (such as flowers, balloons, food, etc.) delivered/brought to the school. These items will not be distributed during school hours.
- Students are not permitted to hand out party invitations in school unless **every** student in the class is being invited. If the entire class is not being invited, invitations must be mailed home by the parent.
- Student birthdays that occur during the school year will be announced on the morning announcements. If you do not want your child’s birthday announced, please contact Ms. Rodriguez, FB’s secretary.

FREEMANSBURG ELEMENTARY SCHOOL
BASD American Education Week

Dear Parents/Guardians:

On behalf of the professional staff at Freemansburg Elementary School, we invite you to visit our school during *BASD American Education Week*. We are very proud of our *learning community*: staff, students, and parents.

Target days have been identified for classroom visitations. The intent is to provide you with an overview of our school and our daily educational programs. Please adhere to the schedule. If you are unable to visit during scheduled times and desire to come to the classroom, contact your child's teacher directly to schedule an alternate visitation date and time.

Classroom visits are for adults only. Young children/babies can prove to be disruptive for other parents who are visiting the school, as well as for students and teachers. Please also refrain from using your cell phones during classroom visitations. Additionally, parents are not permitted to attend lunch and/or recess with the students.

Thank you in advance, for your cooperation in these areas.

Your interest in your child's education sends a strong message. We look forward to seeing you during *BASD American Education Week*.

Sincerely,

Mrs. Ashlee O. Woodson, Principal

GoGuardian

GoGuardian is a Chromebook management solutions software intended to try to keep students safer online and make teaching more efficient. The Bethlehem Area School District uses GoGuardian to filter and monitor websites that students visit in order to attempt to block inappropriate material on the Internet and to assist classroom teachers in keeping students on-task and engaged. While BASD uses GoGuardian as a tool to try to protect students from inappropriate Internet content, BASD does not guarantee that students will not be able to access any inappropriate material on the Internet.

Counseling Corner

The Student Assistance Program (SAP) is designed to provide a systemic approach to to remove barriers to learning. Please visit the [BASD/SAP Parent Page](#) to learn more!

If your child is struggling in a particular class, first contact the teacher to set up an appointment to meet with the teacher and the student. Often, the open dialogue can lead to success for the student because they feel supported at both home and school. Strategies or interventions can be used during class and after school to help a student understand a concept or procedure.

If your child is having a difficulty that can't be addressed by the teacher, contact the school counselor, Mrs. Francis. She can provide assistance or refer you to other sources of support.
