

Remote Learning Day Schedule

Hanover Elementary – James Buchanan Elementary – Miller Heights Elementary
May 25, 2023 through June 8, 2023

The staging of construction taking place at Hanover Elementary, James Buchanan Elementary, and Miller Heights Elementary this summer requires remote learning for the last 10 days of the school from May 25th through June 8th.

May 25 will be an asynchronous Remote Learning Day (more details to come from your Principal).

The daily schedule for the remote learning days from May 26 to June 8 is described below.

To make these remote learning days successful, teachers will:

- Connect as many families as possible now to your communications app (ClassDojo, Remind, etc.) so they can communicate in cases of emergency.
- Practice with students how to get on your online session with your class prior to May 25.
- Connect students to Google Classroom, ConnectED, First in Math, REVEAL, etc. prior to May 25.
- Work from home unless participating on a pre-approved field trip.
- **Not try to replicate a regular school day.** We are doing the essentials to keep them engaged and progressing.

Remote Learning Day Schedule (starting May 26)

8:15 AM – 8:55 AM	customary professional meetings conducted virtually
