

Third Grade 2019 - 2020 Back to school list.

Mrs. Hudak, Mrs. Reybitz, Mr. Woods

We hope you have a wonderful summer full of fun and adventure.

While lounging at home, the pool, or park, make sure you enjoy some summer reading.

Here are some fun ideas to keep you busy...

- 1) Keep a summer journal. Write a little each day about what you did.
- 2) Make a poster advertising your favorite book.
- 3) Read a book and watch the movie. Compare how they are similar and different.
- 4) Bake something with your parents. Discuss measurements when cooking.
- 5) Make a science journal. Draw pictures of plants, flowers, rocks and insects you find.
- 6) Visit the historic buildings in downtown Bethlehem. Take pictures or make a video of your trip.
- 7) Make a poem, song, or dance. Record it and you can send it in to show the class.
- 8) Make a photo collage of your vacation. Take a lot of pictures and make a poster showing all the fun things you did.
- 9) Invent a new game. Write a rule book with pictures and diagrams to show how it is played.
- 10) Get a map and locate the places you go, or map the settings of the books you read and movies you watch.

You will not need scissors, a calculator, or hand sanitizer. We have them available at school.

When the back to school sales start this summer here are some items to look out for...
