La Révision de Grammaire

To help you review how to conjugate the most common French verbs in the present, passé composé, and the imparfait, use the verb conjugators listed below. Verb charts are attached on Edmodo and they need to be completed in the tenses indicated. Complete the verb charts in the present tense. Then you will be asked to complete some of the verbs in the passé composé and the imparfait.

C. Le Vocabulaire

1. Quizlet / Edmodo / Duolingo. Search for the themes from the past year and previous years!.

Try to practice some every day or weekly...

D. Writing

Try to start a Journal, try to write in it regularly. Set a goal, once a week, twice a week...something! It can be about anything, something you read, a song you like, a holiday that just happened...just write, do not get caught up in grammar and tenses, try to just write in French☺

E. Reading

Newspapers, articles, Trivia crack in French, song lyrics, all forms of reading...set a goal...how many times per week? Link to a news site on Twitter, read something daily. I have some great ones you can follow...
