

LIBERTY HIGH SCHOOL

EMPOWER leadership and global thinking

Principal: Harrison Bailey III

Located near Bethlehem's quaint downtown, Liberty High School has all the benefits of a large school with a small school atmosphere. Students here are encouraged to find their niche within the wide array of academic, extracurricular, and athletic options. Founded in 1922 and situated on 22 acres, the school boasts 570,000 square feet of learning space and consists of 5 buildings. There are 129 classrooms with laptops, projectors, and Wifi. Liberty has a comprehensive and rigorous program of academic studies. At the heart of the learning experience are stretch learning, core learning, student engagement, and personal skill development. Through BASD's Career Pathways program, students can choose one of four paths:

Arts and Communications, Business, Law, and Finance, Science, Technology, Engineering, and Mathematics (STEM), and Health and Social Services. A Vocational-Technical education is also available to students through BAVTS. Liberty High School recognizes the unique potential of each student and works in partnership with the home and community to facilitate a love of learning in each student. Liberty offers a variety of Advanced Placement courses, opportunities to take college courses, and several electives throughout each department. Liberty High School is a diverse learning environment with passionate students filled with school spirit, and an array of exciting academic, extracurricular, and athletic opportunities. **Liberty's mission is to help every student find their passion and purpose.**

School Enrollment: 2,701 | Number of Faculty: 165 | Mascot: Hurricanes

FROM THE PRINCIPAL

"Liberty is literally a microcosm of our country, with an appreciation for diversity, dedication to youth, and love for our community. Go CANES!!!"

WHAT OUR COMMUNITY IS SAYING

Parent: "Liberty truly helped my child find her personal passion and she truly loves that school!"

Alumni and Parent: "I am a third generation Liberty grad and I wouldn't send my kids anywhere else."

Student: "I came to Liberty from a small private school. I would have never been able to take electives like Music Production and Sign Language at my old school!"

Student: "What other school can jam out to bagpipes and kilts?"

Teacher "Everyday is an opportunity to push our students to reach their potential, but I often learn from them just as much as I teach."
