Semester 2 Extracurriculars & Junior/Senior Prom (Friday, May 15, 2026)

- *Semester 2 Attendance: Students who are chronically absent or chronically tardy during the spring semester may NOT be eligible to attend prom/participate in extracurriculars. Chronic absenteeism is being absent from school 10% or more of the school year. (For example, 18 absences during the 180-day school year; 9 absences during a 90-day semester; 4.5 absences during a 45-day quarter.) Students and families have previously been notified that this level of attendance could result in loss of eligibility for activities and school events. Doors open daily at 7:15am.*
- *Framework for Citizenship: Students who are suspended during the spring semester OR have not satisfied a Level II Infraction intervention may NOT be eligible to attend prom. Please refer to the LHS Student Handbook for more information regarding the Framework for Citizenship. This could impact ANY athletic/club/activity participation in the Spring.*

If a student is INELIGIBLE, they will be notified by Friday, April 24, 2026. Should a student who previously purchased a ticket be deemed INELIGIBLE they will be contacted regarding a refund for their purchased ticket.
