

Miller Heights Elementary School

Bethlehem Area School District

I would like to introduce myself as the Principal of Miller Heights Elementary School. I am honored to lead a school with a reputation of academic success, outstanding students, an extremely dedicated staff, and a supportive school community.

I have been in the field of education for more than twenty-five years. I have worked with students ranging in age from Kindergarten through 5th grade in a variety of roles. This is my third year as the principal of Miller Heights and I am thrilled to continue working as an educational leader and as a partner in your child's education.

On a personal note, I was born and raised in Bethlehem, and I am a graduate of Freedom High School. I attended Temple University, received my Master's Degree from Lehigh University and my Educational Leadership Certification at Moravian University.

I look forward to working with you and your children. Please feel free to contact me for questions or concerns throughout the school year.
