School-wide Announcements

NPG Meeting with Dr. Roy (Coughlin) Tomorrow evening at our NPG Meeting, Dr. Roy will be joining us for coffee & dessert to talk over the state of the BASD and discuss with you about our school. Please join us on Monday, December 11, 2017 at 6:30pm in the Library!
Parking Lot (Mayes) This week, we will be opening the new Bus Lane for Arrival and Dismissal. Parents are strongly encouraged to use the lot for after-school activities - just remember to use the 2nd entrance and it is a one-way loop! The drop-off lane in front of the old school (between 8th Avenue & 9th Avenue) will be closing closer to Christmas and parents will be able to drop off in the new drop off zone in the Main Parking Lot. More information will follow in a separate email & posted to our NMS website.

Holiday Gift Tree (Ellis) - The Student Council has adopted the “Holiday Giving Tree” as its community service project. The “Holiday Giving Tree” is decorated with ornaments (tags) that identify the age, gender, and a holiday wish list for local children in need. There are still several tags to be picked up! Purchase a gift or gifts from the items listed on the tag, wrap it (please secure multiple boxes together with ribbon or place all of them in a bag), TAPE THE TAG TO THE OUTSIDE OF THE PACKAGING, and return the wrapped and identified gift to the tree in the Main Lobby no later than December 14th.

ALL BASD Schools Closed May 15 (Mayes) The Bethlehem Area School district noted in their 2017-2018 printed calendar that all schools in the district would be closed for the Primary Elections in May. The PA State Office of Elections has confirmed that Primary Elections will be held on May 15, 2018. Therefore, all schools in the Bethlehem Area School District will be closed on May 15, 2018. Offices and Child Care will remain open as usual on this day.

Academic Team Updates

Team Lafayette (6th) (Twitter @NMSLafayette) Team Lafayette had a great time last Wednesday at the Lehigh basketball game. Lehigh won!! Two more weeks until Christmas break, and we are very busy! On Thursday, 12/14, students will be presenting their Country Celebration Speeches. Thursday, 12/21, is Ugly Sweater Day. All students should come to
school in their most unattractive sweater. Team Lafayette students are learning about time lines in social studies and coordinates in math. In science they will be investigating jobs in science.

**Team Lehigh** (6th) (Twitter [@NMSTeamLehigh]) None at this time.

**Team Moravian** (6th) - (Twitter [@NMSTeamMoravian]) Please make sure you check the home access center this weekend for 2nd quarter grades. The midquarter cut-off for IPRs is Tuesday 12/12. Have your child check to see that they aren't missing any assignments so that the grade truly reflects his/her ability! Mrs. Dendrinos and Mrs. Evancho's ELA classes will be making sock snowmen this week and are supplying the materials. However, if students want to bring in any additional items to personalize snowmen, they are welcome to! Any and all donations are welcome. Also, if any of you are looking for stocking stuffer ideas...the students can always use more glue sticks, their own scissors for interactive notebooks, and their own TI-30XIIS calculator. Many started the year with these items, but have since "misplaced" them.

**Team Kutztown** (7th) (Twitter [@TeamKutztown]) There are no team announcements at this time. **Science** (Mr. Pearson) - In the upcoming week, we will be preparing and reviewing for a unit test on the Scientific Method. Periods 2, 5, 7, and 8 will have the unit test on Wednesday and due to a holiday assembly, Period 1 will have it on Thursday. Following the test, students will be working on their next lab dealing with the effects of exercise on heart rate and learning the names and uses for the parts of a microscope. **English** - This week students will begin their study of nominative and objective case pronouns. Lesson 10 Vocabulary homework (sentences and definitions) is due on Thursday.

**Team Penn State** (7th) (Twitter [@NMSPennState]) We are now halfway through the 2nd quarter. Mid quarter progress reports are in the process of being generated. Please check the portal to make sure you are up to date on all assignments. Remember to wear your ugly holiday sweaters on Fridays. **Science** - students will be having a two day test on microscope and the cell on Tuesday and Wednesday....They will be informed on Monday as to which portion of the test they will be taking so they can study accordingly. **Reading** - Students will have a quiz Wednesday on concepts and vocabulary through chapter 7. **Math** - Periods 1,2,5, & 7 have a Unit test on Tuesday. **ELA** - How Jackie Robinson Changed Baseball - due Monday if you did not finish in class / we will continue using textual based evidence in our writing. **Geography** - there will be a test on the physical geography of North America (USA/Canada) on Thursday.

**Team East Stroudsburg** (8th) (Twitter [@NMSTeamESU]) **Science**: We will be analyzing chemical formulas as well as exploring ionic and covalent bonding. This is located in sections 3 and 4 in chapter 1 if our new books. They will be doing Nitschmann-made station labs Wednesday and Thursday to help them to explore the subject material. We will review and practice again Thursday with a bonding quiz on Friday. Algebra 1 students will be taking an assessment on everything they've learned this year. Math 8 students are going to start learning about slope. History classes will continue our study of English colonization in the New World. Friday is Bill of Rights Day. Reminder: Oral History is due at the beginning of class on Monday December 18th. Reading classes will continue with Soldier X and theme analysis. As the cold
season is upon us, can you please send in boxes of tissues and hand sanitizer for our classrooms. Thank you in advance! ESU FINAL PROJECT on Nightjohn is due Monday, December 11th. We will be watching the movie and having a final test/writing next week.

**Team Northampton** (8th) (Twitter @TeamSpartanNMS) Our December celebration is right around the corner (next Friday the 22nd). Start gathering your ugly sweaters and Elf wear to take part in the fun festivities! Anyone who would be willing to donate a gift card, we would be greatly appreciated as always. Please bring it in to your homeroom teacher. Team Northampton would like to thank ALL our students who participated in gathering items for our team's Reverse Advent Baskets - we will be wrapping them up this week to give to those in need! It is awesome to see the sense of belonging of our entire team doing acts of kindness for others - every homeroom will be represented with one or two baskets! You ROCK!! Continue to check your child's planner and parent portal to stay on top of your child's grades. If your child is missing work or has been absent, please encourage your child to make plans this week to stay after and get caught up before the holiday.
