

We are Team Moravian!!

August 2017

Dear 6th Grade Students and Parents:

We would like to take this opportunity to welcome you to Nitschmann Middle School. All sixth grade teams have adopted the names of local colleges and universities for their team identity. We are very excited to tell you that you and your child will be part of Team Moravian this year! Throughout the school year, your child will have the opportunity to meet and work with Moravian College students, athletes, professors, and coaches. Students will participate in programs to help them understand the importance of goal setting and academic success. We are very fortunate to have a collaborative partnership with such an outstanding local college.
