August, 2018

Dear Parents & Guardians of Nitschmann Middle School students,

In just a few short days, we will be welcoming your children to Nitschmann Middle School for the 2018-2019 school year in our new school! **Our staff is very excited to begin our school year on the First Day of School on Monday, August 27, 2018.** Please note on the First Day of School, 6th grade will begin at 8:05am and 7th & 8th grade will begin on a 3 hour delay at 11:05am to allow for the 6th grade orientation. Bus information will follow in US Mail from the BASD Transportation Department just before school begins.

Included with this mailing is a tentative copy of your child's academic schedule for the 2018-2019 school year. Please carefully review your child's schedule and the accompanying information on the reverse of the schedule.

Please make sure the Student Services Office has your updated email address prior to the start of school. We use email frequently to communicate important information and weekly updates, rather than sending papers home with your child. Please call or email our Guidance Secretary Mrs. Scott at sscott@basdschools.org with your name, your child's name, and your updated email.

Please remember to check our school website & social media sites for the 2018-2019 supply lists that your child will need for the first day of school and new arrival & dismissal procedures.

Please mark your calendars for our Annual Back to School Night on Monday, September 17, 2018 at 6:00 p.m. Please plan on attending to meet your child's team of teachers and participate in a preview of the 2018-2019 school year, including several new programs and opportunities for your child!

As the new school year approaches, our expectations and hopes are very high for your child. Our school staff is looking forward to working collaboratively with you to make sure your child has a positive and rewarding school year.
