

NEW WAYS TO STAY CONNECTED TO WHAT'S HAPPENING IN THE DISTRICT

We are excited to update you on the many ways you can stay connected to what's happening in the district and the community. Below, you'll find information about our mobile app, new online registration system, BASD TV, and our social media channels. We hope that these tech updates will make it easy for you to stay informed about what's going on in the district. Download our new BASD mobile app, follow us on social media, and tune into our new 24/7 TV channel. We value your participation in your child's education and hope that you enjoy our new tech-savvy updates.

BASD APP

The new BASD mobile app will contain important information about the goings-on in the district, including safety and emergency messages. The app is available at the Apple App Store (iTunes) and Google App Store (Play Store).

REGISTRATION GATEWAY

Registration Gateway is our new online registration system that replaces paper forms for the annual back-to-school updates for returning students and new student registration. As parents, you can fill out back-to-school information for returning students online beginning on 9/5/18 when Registration Gateway goes live. The software will not be available before 9/5/18.

New student registrations will still be done via paper for now, just like last year. We hope to start using Registration Gateway for new student registrations in January.

BASD TV

The BASD Channel will debut on Monday, August 27, 2018, at 12 pm. The station will run 24 hours a day, 7 days a week on RCN Channel 67 and Service Electric Channel 265.

BASD ENEWS, FACEBOOK, TWITTER, BLOG, INSTAGRAM, AND PODCASTS

Our social media sites are a great way to stay connected to the district. Follow us and never miss an update!
