Halloween Candy

for the

Troops

Don't know what to do with the candy you get from trick or treating that you don't like or the extra candy that you didn't give out?

NMS will be collecting candy to send to US military troops serving overseas.

Bring in your leftover or unwanted candy from October 29th to November 8th.

Place your candy in the Halloween shopping bag that is located in your homeroom.

Last year we donated 25 copy paper boxes full of candy to the troops! #basdproud
