Mr. Downey is our club advisor. You can contact him for more information at cdowney@basdschools.org.

In the event that BASD is closed or has an early dismissal due to inclement weather, our club night will be postponed. We will send message updates through the BASD app, Nitschmann's social media sites, and text updates. (*To receive text message updates about ski club— text @skiclubni to 81010*)

Ski & Snowboard lessons will begin at 5:00 pm. We recommend that all students who have skied or snowboarded 3 times or less to take lessons to strengthen their independent skills.

Lockers are available at Blue Mountain Ski Area. Small lockers are \$3, and medium lockers are \$6 with unlimited access. Students purchase these weekly on their own.

We want Nitschmann Middle School to stick together and ski safely. Our group adults will be located by the Lower Lodge counter with a Nitschmann sign. Hot cocoa is available most nights at our group table. We welcome parents to join us, help out, and even bring some snacks for our students. Email Mr. Downey if you can help.
