Picking Up Your Child For An Appointment (Falcone): Please make sure to send a parent signed excuse with your child the morning of your child's appointment. Your child will bring the excuse to Student Services during Homeroom Period in order to receive a pass to leave class. This method inturn minimizes the interruption of educational instruction to the entire classroom.

Dropping Off Forgotten Items (Falcone): We strive to encourage each student to be responsible and organized in preparation for their future high school years. Recently there has been an increased volume of items that students have forgotten at home and parents have brought into the school for them. This has caused a decrease in class instruction time caused by frequent interruptions. We understand some items are necessary to conduct a normal school day such as: BASD Chromebooks, eyeglasses and lunch. Items such as clothing, sports equipment and phones do not warrant interruption to the entire class. To prevent interruptions to all our students, we ask that should you decide to drop off an item, you label that item with your child's name and grade and place the item in the designated area located within the Student Service Office. Send your child an email at their BASD email account to remind them, please do not text or call your child during the school day, which can lead to their cell phone confiscation.
