Nitschmann Middle School Weekly Update, [Home of the Nitschmann Nation!](#)

Sunday, March 7, 2021, to Sunday, March 14, 2021

- **Spring Sports Begin Tuesday, 3/9:** Students participating in NMS soccer & softball should be prepared to be inside & outside this week as we kick off our normal spring sports season. See information below. Note: 8th grade boys trying out for the LHS freshman baseball team have been emailed the necessary information.
- **2021 PSSA & Keystone Exams:** Dates for the 2021 PSSA & Keystone Exams will be announced shortly by the BASD. We are planning to administer these exams in May online at school. Dr. Mayes will have a video prepared with everything when this plan is updated.
- **AM Drop-Offs & PM Pick-Ups:** As the winter weather fades, please keep in mind that the Main Parking Lot is designed to have quick drop offs & pick ups as needed. We have seen a decline in students riding the busses in the am & pm - there are plenty of seats on the busses for all students who are eligible to ride on hybrid days. We encourage students to walk, ride their bikes, and ride the busses each day to reduce the number of cars in the lots at arrival & dismissal. Students should take advantage of the nicer weather!
- **Outdoor Lunch Dining Returns:** As soon as the snow melts on the patio this week, students will be able to dine outside at lunch periods on the patio. When the grass is dry and free of snow with warmer temperatures, they will be permitted to sit in the grass.
- **Outdoor Physical Education Resumes:** Students should be prepared on warm days to return outside for physical education classes during the week. We want our students outside on the turf to get some exercise!
- **Welcome to Officer DeFrank!:** Bethlehem Police Officer DeFrank will be joining us at Nitschmann to take Officer Joniec's place, as he assumed a new position within the department. Please welcome Officer DeFrank and wish Officer Joniec good luck in his career!

Sixth grade students learned about our Biography section this past week. Monday, March 8 is the perfect day to read a biography about a woman in honor of “INTERNATIONAL WOMEN'S DAY.” 🧑🏻🧑🏻

❁❁ **Celebrate March with a green book for ST. PATRICK'S DAY**

or a **basketball book for MARCH MADNESS.** 🏀🏀

💛💛 **Have you seen the yellow bookmarks in the library books yet?? NMS Staff chose their favorite books, and YOU can check them out or look through the shelves to find out which ones were chosen. You might find out that you and your teacher like the same book!** 💛💛

Core & Encore Team Updates

Team Lafayette (6th) (Twitter [@NMSLafayette](#) Team Leader [Mrs. Hackman](#)) It was great to have the kids in “all week”! Work has been getting completed, and we have seen great energy in class. Spring is close, be sure to continue putting your work in the forefront and making your health a priority. Thank you for your efforts in classes and at home.

Team Lehigh (6th) (Twitter [@NMSTeamLehigh](#)/ Facebook [@NitschmannTeamLehigh](#) Team Leader [Mrs. Oliver](#)) Congratulations to our January and February Pride of the Lions: Eyad Essibir, Aubrey Stelma, Brady Frisch, Chloe, Ferullo, and Marissa Simmons. We greatly appreciate their hard work and dedication.

It is officially the middle of the 3rd marking period. IPR's will be available this week, but you do not have to wait. Check your grade report in Schoology to see if all your grades are in good standing. Look not only for missing assignments, but also assignments for which you did not do well on and you may be able to remediate. This process of checking in on your grades should be part of your weekend routine!!!

As we have mentioned before, the library is open both before (7:30 am) and after (til 4:00) school for students who need a place to come in and work. As of now very few have taken advantage of coming in before school. If you have trouble finding a quiet place to work at home or your internet is not all that stable, before school is an excellent solution to the problem. We are also here after school til 3:30 for extra help and Mr. Fritzinger is here for math help at 7:30 as well.

Team Moravian (6th) - (Twitter [@NMSTeamMoravian](#)/Facebook [@NMSTeamMoravian](#) Team Leader [Mrs. Roufakis](#))

With the snow days in the last few weeks, we have noticed several students missing work. Grade sheets have been handed out and need to be signed. Please return them on Tuesday/ Wednesday this week. We are available before and after school. Talk to your teacher if you would like to work on any assignments during those times.

Team Kutztown (7th)(Twitter [@TeamKutztown](#) Team Leader [Mr. Falteich](#)) - We are now midway through the 3rd quarter. Students should check Schoology to see that they are up to date with all assignments. **Math (Mrs. Evancho)** - Reminder: All students should be bringing calculators to class with them! **Science (Mr. Pearson)** - This week we will be reviewing the last two sections and preparing for a test on them at the end of the week. The test will cover material from the “What is Life?” and “Chemical Compounds in Cells” sections and will be on Thursday, March 11th (A - L); Friday, March 12th (M - Z); and due by Sunday, March 14th (E-Classroom). **English (Mr. Falteich)** - This week students will present their final 3-5 minute persuasive speeches. Each student has received a grading sheet/rubric with the expectations for the persuasive speech. Hopefully the speech will be a positive and memorable educational experience. **Geography (Mr. Danyi)** - Students will learn about the physical and human features of Mexico.

Team Penn State (7th) (Twitter [@NMSPennState](#)/Facebook [@NMSTeamPennState](#)/ Instagram [pennstatenms](#) Team Leader [Mrs. Getz](#))

You should have received either the Blue Schedule OR the White Schedule. We are moving to using Go Guardian, and will NOT be using Zoom. In order to attend class, be on your school laptop at the time of class, and your teacher will call you through Go Guardian. Please email with any questions.

ELA (Getz) - WeVideo projects are due on Friday, March 5th. This week we will move to a poetry unit focused on civil rights. **Downey(ELA)** - We are finishing *We Beat the Street*. WeVideo projects should be finished this week.

Geography: Students will learn about the physical and human features of Mexico. **Math:** Reminder: All students should have their calculators with them in class every day. Periods 3,6 and 9 are working with applications of the percent - this week it's interest. Team DeSales (8th) (Team Leader [Mrs. Pogue](#)): Instagram [@NMSTeamDSU8](#) **E-classroom students:** Remember that we will be switching over to Go Guardian on Monday for your classes! See any updates in the Desales E-classroom group on Schoology.

Get ready to participate in a jigsaw as we explore some non-fiction articles about the justice system. **HISTORY:** We are almost to the best Unit of the Year, this week we will be learning about the weaknesses of the Articles of Confederation. Get your pocket Constitutions ready!!! **SCIENCE:** Get ready for your science on Balanced and Unbalanced Forces on Thursday and Friday!
