Nitschmann Middle School Weekly Update, [Home of the Nitschmann Nation!](#)

Sunday, April 25, 2021, to Sunday, May 2, 2021

- **Please fill out the LEAD end-of-year Parent Survey** by clicking on the link below <https://www.leaderinme.com/s/nitschmann-middle-pa/parent> to help us reflect on our school-wide progress this week!
- **Bring Chromebook Chargers Daily!** All students should be bringing their Chromebook chargers WITH THEM to school on their hybrid days. We expect students to charge their laptops at night, but we know sometimes this gets missed. We do not have extra chargers, so students are able to plug in if they need to. They need these daily!
- **July Summer Programs!** Nitschmann will be hosting several summer programs in July and August to help our students after this long school year. In addition to our regular August Ramp-Up Program”, we will be hosting several week-long day camps between July 12 and 30, connected to our favorite activities, to help students reconnect with school for the 2021-2022 school year. Sign-ups will begin in May.
- **Algebra Readiness Testing for 7th Grade Students 5/4 & 5/5** Over the next two weeks, Mr. Horlick & his team will begin to prepare scheduling information for next school year. One important part is assessing 7th graders for their algebra readiness to access the Algebra 1 course in 8th grade. This assessment will occur in school on Tuesday, May 4 for all A-L students and Wednesday, May 5 for all M-Z students. e-Classroom students should plan on attending from 8:15am-9:30am to take this assessment.
- **World Language Selection for 7th Grade** All 6th graders will be completing an online survey to identify their preference for their world language by ranking their request 1st, 2nd, & 3rd for Spanish, French, and German. We will work to give students one of their first two choices in the world language classes for 7th grade. 6th grade parents should take a moment this week to talk with their child about their interests and rank them in order. All current 7th grade students will continue on their current world language path for 8th grade.

BOOK SUGGESTIONS FOR THE UPCOMING WEEK

📖 **April is NATIONAL POETRY MONTH! We have many titles by many poets including**

Langston Hughes, Shel Silverstein, and Robert Frost. 🍷

⚾️⚾️ **In honor of BABE RUTH DAY on Tuesday, April 27,**

check out and read a book having to do with baseball, fiction or nonfiction. ⚾️⚾️

💛💛 **Have you seen the yellow bookmarks in the library books yet?? NMS Staff chose their favorite books, and YOU can check them out or look through the shelves to find out which ones were chosen. You might find out that you and your teacher like the same book!** 💛💛

Schoolwide Library Services (Werkheiser)

GREAT NEWS!! 🎉🎉🎉

While you are learning at home, Nitschmann Middle School Library books are available for you to check out and read!

It's easy!

Step 1: Browse through the NMS Library collection on OPAC in my Libguides website.

<https://beth.libguides.com/NitschmannMiddleSchool>

Step 2: Email me the titles of one or two books that you would like to check out at

lwerkheiser@basdschools.org

Step 3: Wait for a return email from me, letting you know that your books can be picked up from the cart between the front doors at Nitschmann.

National Bike to School Day is May 5th. With the Hybrid schedule we will also celebrate on May 6th. Breakfast is available at Nitschmann.

Plan a safe route, join with friends and family to ride to school.

Wear a helmet.

A bike cleaning clinic will be available on April 27th after school at Nitschmann's Gym.

Core & Encore Team Updates

Team Lafayette (6th) (Twitter [@NMSLafayette](#) Team Leader [Mrs. Hackman](#)) The planting process moved inside due to “non-planting” weather, but we will continue to talk about human impacts on the environment, and hopefully get outside to do so! Despite having over a month of school left, it feels like the time is dwindling quickly. Continue to stay on top of Schoology and projects, and get work completed before due dates pass.

Team Lehigh (6th) (Twitter [@NMSTeamLehigh](#)/ Facebook [@NitschmannTeamLehigh](#) Team Leader [Mrs. Oliver](#)) Congratulations to **Lilly Medaska, Ben Miller, and Edgar Berrios** for earning our **Mountain Hawk Spotlight Award** this week. This is an award that Lehigh teachers give to students who soar above the rest! Students earn a certificate and are recognized at our team celebrations. Way to go - we are proud of you for leading the way for our team!

This past week, we celebrated Earth Day by doing some fun Earth Day activities that involved comparing and contrasting the book and the movie The Lorax (it is amazing to think that the book was actually written 50 years ago), and making our Earth a little greener by doing some planting in Science class.

We are well into the 4th marking period!!!! We can see the light at the end of the tunnel. Walk, do not run to the finish line. Take your time, pay attention to the task at hand. There is still learning and work to be done. Follow the daily routine. Log into Schoology, look for and complete the daily assignments posted by your teachers for each of your classes. This is the easiest way to keep up to date and to be sure your grades stay in good standing. Check your grade report frequently to look for missing assignments and/or grades for which you can remediate. Finish Strong. We Got This!!!

Team Moravian (6th) - (Twitter [@NMSTeamMoravian](#)/Facebook [@NMSTeamMoravian](#) Team Leader [Mrs. Roufakis](#)) The fourth quarter started on Monday. Some students are already missing work. Please review grades on Schoology. Team teachers are available before and after school for extra help. If you are interested in attending, please talk to your teacher. Please also check your emails for team updates.

Team Kutztown (7th)(Twitter [@TeamKutztown](#) Team Leader [Mr. Falteich](#)) **Math (Mrs. Evancho)** - Reminder: All students should be bringing calculators to class with them! **Science (Mr. Pearson)** - This week students will continue learning about cellular respiration. In class on Thursday and Friday, we will begin a lab examining the effects of exercise on the process of cellular respiration. **English (Mr. Falteich)** - Students will practice using pronouns in both the

nominative and objective case. The emphasis will be on using pronouns as direct and indirect objects. **Geography (Mr. Danyi)** We will be starting our Asia unit. Students will be learning about the physical and human features of Asia.

Team Penn State (7th) (Twitter [@NMSPennState](#)/Facebook [@NMSTeamPennState](#)/ Instagram [pennstatenms](#) Team Leader [Mrs. Getz](#))

ELA (Getz) - Monday will be a makeup day. Use this time to catch up on any work that you are missing. This week, we will be comparing “An American Plague” to an excerpt from “Fever 1793”.

Downey(ELA) - Students will be writing parables. Our focus will be sensory writing and dialogue.

Geography: We will be starting our Asia unit this week. Students will be learning about the physical and human features of Asia. **Math:** Reminder: All students should have their calculators with them in class every day. Periods 3,6 and 9 are wrapping up their unit, with a focus on adding expressions getting ready for a unit test during the first week in May. Periods 2 and 8 will be solving two-step and multi-step inequalities, getting ready for a unit test during the first week of May. **Science:** We will continue learning about adaptations this week. Students will go through an activity where they have to work with a partner to see how important the human thumb is in our daily lives.

Team DeSales (8th) (Team Leader [Mrs. Pogue](#)): Instagram [@NMSTeamDSU8](#)

History classes will be focusing on Western Expansion, students will be analyzing different perspectives of expansion. Students will be expected to discuss the viewpoints of enslaved people, native Americans, and western settlers after a Tech book investigation. **ELA:** Students should be finished through chapter 5 of *The Outsiders* and preparing for a quiz on their next school day! Remember to plan your review sessions with your groups on Monday or Tuesday. We will continue our character bio assignment by creating our “life size” characters this week, as well as analyzing the key themes that are emerging. **HISTORY:** “A House Divided Against itself Cannot Stand”: this week we study the events of 1850 and how they led to the United States Civil War. **SCIENCE:** We are learning about potential and kinetic energy. There will be a quiz Thursday/Friday this week. **MATH: Parents:** You may use these links to see what your child’s week ahead in math looks like. [\[DSU Math 8 Weekly Agenda\]](#) [\[DSU Algebra 1 Weekly Agenda\]](#)

Team Northampton (8th) (Twitter [@TeamSpartanNMS](#) Team Leader [Mrs. Hood](#))

In **History**, sectionalism and its connection to the Civil War will be the hot topic this week. Conflict and Compromise will be ongoing events leading up to the Civil War. In **Mrs. Hinkel’s ELA class**, we will be starting our new StudySync unit, No Risk, No Reward by focusing on our new essential question. We will also introduce our new novel, *A Night to Remember*. We end the week with learning how to write a literary analysis paragraph. In **Mrs. Wallach’s ELA class**, we are working on introductory paragraphs for the literary analysis essay. **Science:** The students will be getting ready for Earth Day by learning about Renewable and Nonrenewable resources. Quiz will be May 3/4th. In **Grade 8 Math (Periods 4 and 9)**, students will have a short Simplifying and Operations with Radicals quiz on Thursday/Friday and will continue working on Pythagorean Theorem. In **Grade 8 Math (Period 3)**, students will have a short Two Way Table quiz on Tuesday/Wednesday and will continue to simplify Radicals and be introduced to Pythagorean Theorem. In **Algebra 1**, students will have a short Exponent Rules quiz on Thursday/Friday and will be introduced to Polynomials. Students are scheduled to take their Algebra 1 Keystone Exam on 5/19 or 5/20. Review / practice materials are posted in Schoology.

Team Pitt (Encore) (Twitter [@NMSTeamPitt](#) Team Leader Mrs. Hoffman [Mrs. Hoffman](#))

Music ([Mrs. de Vries](#) Twitter [@ldevriesmusic](#))-Please remember to bring your encore folder and earbuds to all in-person classes. Complete weekly online assignments. Contact Mrs. de Vries for help. E-learners need to attend GoGuardian classes every Monday.

Health and Fitness: As we enter spring and warm weather, be prepared to have PE class outside on the turf. Dress appropriately for the weather. Make sure to complete any outstanding assignments before the marking period ends. Although Crocs are now accepted in school, they are not appropriate for PE class. Please bring an extra pair of PE appropriate sneakers for the days you have PE class. Speak with your teachers for questions, comments and concerns.

Team Bloomsburg (Encore World Language and Library) (Twitter [@NMSBloomsburg](#) / Team Leader [Dr. Sierra](#))-Language selection survey forms are available in your current language course page. Please complete the survey as soon as possible for scheduling. Be sure to contact us if you have any questions. **Please note due dates and times**

written on assignments. We are available via email. If you would like a conference call, email your teacher so a guardian call can be set up.
