Core & Encore Team Updates **

Team Lafayette (6th) (Twitter [@NMSLafayette](#) Team Leader [Mrs. Hackman](#)) [See our welcome letter on the NMS Website!](#) We continue to read [Percy Jackson](#) in English. The students have created a planet in a distant solar system that they “found” as an astronomer, or others chose to explain about their visit to a planet in our solar system... all projects were unique in their own way! Lastly, we continue to work through our ancient civilizations. Ask your kids what they know.

Team Lehigh (6th) (Twitter [@NMSTeamLehigh](#)/ Facebook [@NitschmannTeamLehigh](#) Team Leader [Mrs. Oliver](#)) [See our welcome letter on the NMS Website!](#) **Congratulations to the many team Lehigh members of Nitschmann Dramatics on their outstanding performance of The Music Man Jr. this weekend. They all did a fabulous job.** IPR grades will be available on Wednesday, March 2nd on the HAC and copies will be mailed home. Please discuss these with your child. Emphasize the fact that **students are in control of their own grades.** Celebrate their successes and make plans to work on areas that may need attention. Praise and assist them as they learn to take on the responsibility of learning. **Finally, please make sure your child has a calculator for math class.** The TI-30x is probably the best buy as it is the cheapest of the calculators that are versatile enough to last throughout middle school.

Team Moravian (6th) - (Twitter [@NMSTeamMoravian](#)/Facebook [@NMSTeamMoravian](#) Team Leader [Mrs. Roufakis](#)) [See our welcome letter on the NMS Website!](#) IPR grades will be available March 2. You will also be mailed a copy. Please remember the grade in Schoology is the most up-to-date grade. **PLEASE make sure your child has a calculator for math. It will make their life much easier and it is a tool they will use through middle and high school.** The TI-30X is the easiest one to use. As always, continue to check grades/assignments on Schoology. We are always available for extra help, if needed. Sniffle season is here for a little bit longer. If you would like to send tissue donations in, it would be greatly appreciated. Also, please make sure your child has a supply of pencils and other everyday items. Many students are coming unprepared without supplies.

Team Kutztown (7th)(Twitter [@TeamKutztown](#)) - **Science (Mr. Pearson)** - This week students will finish learning about the chemical compounds that compose living things such as carbohydrates, lipids, proteins, nucleic acids, and water. Then, we will be reviewing for a test on the “What is Life?” and “Chemical Compounds in Cells” sections that the students will have on Friday, March 4th. **English (Mrs. Gómez)** - Please continue to read everyday, **Novel Overview Form #5 will be due Wednesday, March 23, 2022.** **English (Mr. Falteich)** This is a **BIG WEEK in English class!** Students will complete and present their **3-5 minute PERSUASIVE SPEECHES** in class. Parents can help by being a practice audience at home. The speech rubric evaluates 2 specific parts of public speaking - the preparation/research component and the speaking/delivery component. Good luck to all students who will be presenting their speeches this week!**Social Studies (Mr. Danyi)** - We will begin Unit 6 on Northern Africa and Southwest Asia. **Math (Mrs. Evancho)** - Periods 2,3,6 and 9 will begin a unit on probability. Period 8 will complete Unit 6 with a test on Wednesday.

Team Penn State (7th) (Twitter [@NMSPennState](#)/Facebook [@NMSTeamPennState](#)/ Instagram [pennstatenms](#) Team Leader [Mrs. Getz](#)) **Mrs. Markovic (social studies)** - We will begin Unit 6 on Northern Africa and Southwest Asia.**Mr. Downey (ELA)** -Students are reading [12 Angry Men](#). We will be analyzing characters and investigating the judicial system. **Mrs. Getz (ELA)** - Students will complete a connotation and denotation activity. We will then continue to review possessive nouns and begin reading about Harriet Tubman. **Mrs Lafey (Math)** - The unit test for periods 3,6 and 9 will be on Monday, due to last Friday's snow day. After that, we'll be starting a new unit and focusing on solving equations. Attention to detail is extremely important in this unit, so students are being required to write their work down to keep track

of the processes. Periods 2 and 8 will be finishing up the unit on equations and inequalities with a unit test on Thursday. Their next unit will be about probability.. **Mr. Khalife (Science)** - This week, students will run trials of their exercise lab experiment. Later in the week, they will complete the rest of the packets and hand in their rough draft.
