- **Good Luck to Mrs. Falcone!** We wish Mrs. Falcone, our Attendance Secretary, good luck as she begins her new position as Dr. Bailey’s secretary at Liberty High School! Our secretaries will be short staffed this week, so please be patient.
- **Attendance Changes** - We will be recommending a new attendance secretary shortly to the BASD School Board. All attendance emails & notes MUST be directed to ni-attendance@basdschools.org, not to Mrs. Falcone.
- **Spring Conferences** - Our spring conferences in April are designated for students at-risk for academic needs. Information will be distributed to students for these conferences.
- **End of 3rd Quarter** - The end of the 3rd Quarter is quickly approaching this Thursday, 3/30. Students should review Schoology and make sure everything is complete!
- **Office Parking Lot** - Now that BBraun has more staff back in their offices, our office parking lot is becoming more crowded each morning and afternoon. This lot was never designed for student drop off, except for those who have a medical need (ex. crutches). Please use the Main Parking Lot or drop your child off on W. Union Blvd and have them walk up to the school. We will be reminding parents this week.
- **Request for black frames to display student artwork!!** If you have black frames and would like to donate them, we would greatly appreciate it! Any size from 8x10 to as large as 24x36. You can send them into school with your child or email Mrs. Lund at klund@basdschools.org with any questions. Thank You!
- **FREE Middle School Soccer Clinics** - hosted by the LHS Boys’ and Girls’ Soccer programs on *SATURDAY, MAY 14TH* - [Any 6th, 7th or 8th grader interested, please sign up with this link!](#)

*****Core & Encore Team Updates *******

Team Lafayette (6th) (Twitter [@NMSLafayette](#) Team Leader [Mrs. Hackman](#)) [See our welcome letter on the NMS Website!](#) We finished reading and watching [Percy Jackson](#) in English. In Science, the students are creating childrens' books on an ocean topic of their choice, and have both the art and writing rough drafts due this week. Check in with them to see how cool they look! We would like to thank Mayor Reynolds for his time Friday when he came in to read to our team. He also answered questions about "A Day in the Life of a Mayor!" It was great to hear from him about what it takes to keep our great city running!

Team Lehigh (6th) (Twitter [@NMSLehigh](#)/ Facebook [@NitschmannTeamLehigh](#) Team Leader [Mrs. Oliver](#)) [See our welcome letter on the NMS Website!](#) The end of the 3rd marking period is here - Wednesday, March 30th. Please check schoology for missing assignments and assignments that can be remediated. Be sure all of your grades are in good standing. **There will be a NJHS tutoring session this Wednesday from 3:05 to 3:40 in room 303 for those of you who need some last minute help to get those grades up.** Finally, a lack of calculators continues to plague us and slow us down during math class. Please make sure your child has a calculator for math class. The TI-30x is probably the best buy as it is the cheapest of the calculators that are versatile enough to last throughout middle school. There are still some of these at the school store for \$10

Team Moravian (6th) - (Twitter [@NMSTeamMoravian](#)/Facebook [@NMSTeamMoravian](#) Team Leader [Mrs. Roufakis](#)) [See our welcome letter on the NMS Website!](#) **PLEASE make sure your child has a calculator for math. It will make their life much easier and it is a tool they will use through middle and high school.** The TI-30X is the easiest one to use. As always, continue to check grades/assignments on Schoology. We are always available for extra help, if needed. Sniffle season is here for a little bit longer. If you would like to send tissue donations in, it would be greatly appreciated. Also, please make sure your child has a supply of pencils and other everyday items. Many students are coming unprepared without supplies.

Students will be finishing the lab that looks at the similarities and differences between plant and animal cells. Then, we will finish the week by reviewing for a test on cells that will be early next week. **English (Mrs. Gómez)** - Please continue to read everyday, **Novel Overview Form #5 will be due Wednesday, March 23, 2022.** **English (Mr. Falteich)** Literature Unit continues - 3 literary points of view. **Social Studies (Mr. Danyi)** - We will begin studying Sub-Saharan Africa. **Math (Mrs. Evancho)** - Periods 2,3,6 and 9 will begin Unit 7 on Probability and Period 8 will start Unit 10 with Geometry.

We will then begin a new story about hitting a major league fastball! **(Math)** - Periods 3,6 and 9 will be working on solving equations. Attention to detail is extremely important in this unit, so students are being required to write their work down to keep track of the processes. Period 2 will continue our discussion / practice with Geometry concepts.. **Mr. Khalife (Science)** - We will learn about macromolecules, the periodic table, and different properties of water this week. *****Yearbook Help- If you have pictures of sports games or activities please email them to Mrs. Markovic (imarkovic@bsadschools.org). Team Pitt: (Encore Health and PE, and All 30 day rotation classes) (Team Leader [Mrs. Long](#)) (Twitter [@NMSTeamPitt](#)) [See our welcome letter on the NMS Website!](#) As of Dec 1st, 2021, all students are required to wear sneakers that tie for PE class.
