Dear Parents,

We are looking forward to seeing you **Thursday, September 15th** at our **Grades 7/8** Open House. What an exciting night to be able to meet all of the wonderful teachers your students spend their days with here at NMS! We have created a schedule so that you will have the opportunity to hear from each grade level and our encore teams. That schedule is on the back side of this letter.

When a presentation for your student's grade level is not in session, please feel free to check out student work displayed in the hallways, drop a note in your student's locker, or stop in to see a team classroom.

Please remember: these are not parent-teacher conferences. The purpose is for you to hear about the expectations of each team and begin to put names with faces, as we collaboratively work together with your student this year.

Please let us know if you'll be able to join us by using [this link](https://bit.ly/3xH98R1) to help our teachers prepare for their presentations. <https://bit.ly/3xH98R1>

We look forward to seeing you!
