FYI BASD Issued Chromebook

- All Students (6th-8th) are issued a BASD Chromebook, case, & charger under the BASDEmpower program to be used in school & at home. This Chromebook must be transported back & forth from home in their bookbag.
- Students may purchase a hardcover case for the Chrombook. Stickers may then be applied to the case.

Why do we use color-coded folders and notebooks? Often it can be tough for middle school students to stay organized and the color coding system helps all students keep their bookbag ready for class each day!
