NEMSTC (NEMS Theatre Company)  
CLUB ADVISOR: Ms. Thomas, Mrs. Klose, and  
Mrs. Parker

We do a musical every year, open to all grade levels. Auditions will be held at the end of October/early November, with rehearsals from November until March. The musical will be performed for the public in early March.

### **Super Hero Research Club**

**Advisor: Mr. Spieker**

**Learn about, read about, and discuss Superheros & Villains by integrating ways of the writing process through debate & persuasive pieces. We will be watching short video clips, arguing points, and diving into the realm of Marvel and DC Comics, and other areas! Come Join the club! Limited Spots only for 7<sup>th</sup> and 8<sup>th</sup> graders!**

Dance Team  
Advisor: Mr. Huie

Students can audition to be part of the Hip Hop dance team and have a great time! We dance at Pep Rallies, Talent Shows, and other events! Try Outs will be held in the coming weeks.

## **WORLD LANGUAGE CLUB**

Club Advisors: Mrs. Johnson, Ms. Danner, and Ms. Thomas

World Languages Club is open to all grade levels. In this club, students will learn about different cultures, including the music, art, food, and holidays celebrated in Spanish-, German-, and French-speaking countries.

---

## **STRATEGIC GAME CLUB**

CLUB ADVISOR: MRS. VANDERSTEL

2 Hour Sessions (3:30 - 5:30)

*Students will engage in friendly competitive play as they are trained in various strategy games. Social skills such as camaraderie, patience, and sportsmanship as well as learning targets such as spatial sense and strategic planning will also be exercised. Students will have the opportunity to spend time strategizing through the games of: Risk, Settler's of Catan, Monopoly, and Ticket to Ride - as they will be presented and explained.*

### Knitting Club

Club Advisor: Miss Ayre

Students will learn basic stitches to knit their own scarf and/or other knitted projects.

### **Survive the Zombie Apocalypse Club**

ADVISORS: MRS. PAPAGNI AND MR. SPIEKER

This biology-based survivors club will cover basic epidemiology. Students will track the origin of a fictitious virus, research common viruses that have had a significant impact on society, and work on an individual emergency preparedness plan. We will use the curriculum created by the Center for Disease Control and Prevention. Students will develop and increase vocabulary while working individually as well as in teams.

### **CLAY CLUB**

Clay Club with Mrs. Klose

Join in on making a clay project from a variety of project ideas and using various building techniques. 6th, 7th, and 8th graders all welcome!

---

# **FIT IN AT NORTHEAST MIDDLE SCHOOL Clubs that students can join!**

## **GET INVOLVED!**

**Email club advisors directly  
for more information or check  
the morning announcements**

---

## ARCHERY FOR BEGINNERS

Advisors: Mrs. Papagni and Ms. Shook

Students will be taught the following:

- >----> Safety strategies
- >----> Archery equipment terminology
- >----> Archery techniques
- >----> Basic shooting form
- >----> Archery rules
- >----> Scoring procedure
- >----> Archery etiquette and sportsmanship
- >----> Archery history

### MATH NERDS AND BRAIN BASHERS

CLUB ADVISORS: Mrs. Papagni

Students rotate around six stations completing tasks that are frustrating, challenging, yet addictive and fun. Stations change weekly and are intended to make students think and problem solve. There is a computer station, a hands-on brain teaser station (think Rubic's Cube), two math puzzle stations and two word puzzle stations.

Come have some fun with frustration!

### RALLY 4 PEACE

Advisors: Mr. Bellman, Ms. Doncsecz, and Mrs. Parker

Can you sing? Rap? Are you a poet? Do you like to create videos or skits? Are you an artist or photographer? If you said yes to any of the above, then come join our club! Rally 4 Peace focuses on your personal thoughts and feelings about peace, and what gets in the way of it, but in a creative way! Be positive and express your ideas to overcome barriers to peace?

All material must be original but don't worry, we are here to help you create that piece! We meet twice a week, Wednesday and Thursday from 3:10 to 4:10. Rally 4 Peace culminates in a school-wide assembly with students performing or displaying their original pieces. Additionally, we are currently working with The South Side Children's Festival to develop collaborations with numerous community artists who will mentor our students and help prepare them for a performance at The Ice House that will be open to the community. We look forward to having creative, peace-minded students of all grades join us. We're open for business, stop by and share some peace.

## STEP TEAM

Students dance and make beats with their hands and feet

Advisor: Felicia Bauder

Student coach-- Sephora Delva

### ROBOTICS CLUB

CLUB ADVISORS: Mr. Gavronski and Mrs. Papagni

Students in Robotics Club will create 13 different solar powered robots. Students will assemble robots by following instruction manuals, problem solve for themselves, work in teams, and learn through trial and error. 6th graders who participate in beginning robotics will be allowed to participate in Advanced Robotics in 7th and 8th grade. Advanced Robotics includes soldering circuit boards, team work, and an intro to electricity.

### DEBATE CLUB

Advisors - Mr. Gross and Miss Cedor

The debate club is great place for students in grades 6, 7, and 8 to explore the art of "organized arguing." Students in debate club tend to enjoy discussing current issues and if they don't already have a strong voice and good presentation skills, they will learn these abilities in a fun, safe club environment. Students learn to create factual/logical, ethical and emotional arguments to persuade others in the club that their "side" is correct. Students are encouraged to explore current events topics that are interesting to them and will work individually and collaboratively to hone their skills researching and public speaking.

### STUDENT LEADERSHIP

Advisors: Ms. Swavely, Mrs. Braidon, and Mrs. Nehilla

Welcome to all students in grades 6,7,and 8. This club meets every Day 4 during activity period in our school library. Student Leadership is perfect for students who can't commit time after school but want to be involved! Student Leadership members will have opportunities to show their leadership at Northeast throughout the year. Be a leader and join!

### Northeast Singers, Boys Group, and Girls Group.

Advisor: Mrs. Parker

-All three groups are auditioned, and are for all grade levels.

-Members of the auditioned group MUST be members of their grade level choruses.

-Rehearsal schedule is on the PUMAS website or on the morning announcements.

-We perform a variety of genres/styles of music, with concerts both in the Winter and Spring.

### READING OLYMPICS

Advisors - Mary Roehrenbeck, Sheri Majczan  
Club members gather during Activity Period in classroom A300. During that time, students update a database of books they have read, participate in discussions, and write question/answer sets for a book they have read. Students choose books from a set list, which was the NE summer reading list, and all books are available in our NE library. We use Google Hang-out with other BASD middle schools to practice answering questions about the books, in preparation for the Spring Reading Challenge. The Spring Reading Challenge, held at Easton High School, brings together over 400 students from the Lehigh Valley and beyond to compete in a game show atmosphere using questions about the books on the book list. Listen to the Morning Announcements for details of our first meeting!

### Chess Club

ADVISOR- MR. SPIEKER

Chess Club provides an opportunity to start homework after school with teacher supervision. Shortly after, students are welcome to engage in novice chess playing to competitive mini tournaments with specialty chess boards and small life-size pieces. Students will learn the rule of chess, make mathematical connections, and demonstrate sportsmanship. In addition, the Liberty Chess Coach has asked to get more involved with Northeast's Chess Club. Meet and greets will be planned with Liberty.

After-School-Este Rocket Club –  
Advisor- Mr. Flok – Reading Specialist

Instructions on building and launching of Este Rockets with engines. We will be building, designing, and painting the rockets. This will be designated for 6th and 7<sup>th</sup> graders including previous rocket club members.

October – November -Tue. and Thur.
