

Reminder to Monitor Symptoms Daily

Health Monitoring

To help prevent the spread of COVID-19 and reduce the risk of exposure, parents/guardians are to complete this checklist on a daily basis with your child to monitor for symptoms of COVID-19 prior to coming to school. Completing the daily symptom check and staying home if you have any symptoms are important steps to fostering a healthy school environment.

St. Luke's University Health Network has launched a coronavirus telephone and email hotline to respond to inquiries from patients and the public at 1-866-STLUKES (785-8537) Option 7 or coronavirus@sluhn.org

Reporting Requirements

All parents/guardians whose children are in hybrid learning are required to report to their child's school nurse:

- Any symptoms their child has when using the Daily Symptom Checklist and are staying home from school
- If their child is being tested for COVID-19
- Positive COVID-19 diagnosis or self-isolation due to suspected or known exposure to COVID-19

Student Daily Symptom Monitoring

Please complete this checklist on a daily basis with your child to monitor for symptoms of COVID-19.

Has your child been exposed to anyone with a confirmed case of COVID-19 in the past 14 days?

If yes, the student should stay home from school. The student can return to school 14 days after the last time that they had close contact with someone diagnosed with COVID-19.

Column A If you checked 1 or more symptoms, student should stay home from school	Column B If you checked 2 or more symptoms, student should stay home from school
