

As a reminder during the pandemic...

For the health and safety of all students and staff

- ❖ Please remember to use our [daily symptom monitoring checklist](#) on our website.
1 symptom column A and 2 column B
- ❖ If your child has one symptom from Column A or two symptoms from column B or a combination of symptoms from either column please keep them home and please call or email your child's school nurse that they have symptoms.
- ❖ Please keep your child home until they have no symptoms or fever without taking fever reducing medication for three days. They can return to school day 4 of being symptom free and fever free for three days.
- ❖ If one of your children and/or an adult in your household is being **tested for COVID and has no symptoms** please send your child to school. Please call or email your child's school nurse to report that someone in your household is being tested.
- ❖ If one of your children and/or an adult in your household is being **tested for COVID and has symptoms** please keep all of your children home until you receive the test results from your primary care provider (PCP). Please call or email your child's school nurse to report that someone in your household is being tested and has symptoms
- ❖ If anyone in your household tests **positive for COVID** everyone in your household must quarantine for 14 days. Please call or email your child's school nurse to report that someone in your household has tested positive.
- ❖ [Travel to hotspots](#) over the [holidays](#)- daily symptom monitor and remain at home if you are having symptoms.
- ❖ COVID related questions please call or email your child's school nurse
