Dear William Penn Elementary School Alumn,

The Foundation for the Bethlehem Area School District is very excited to announce a wonderful opportunity for all those who wish to contribute to the future success of a past William Penn Elementary School student. We believe you will be excited as well!

With the support of William Penn Elementary School retired educators, The Foundation for the Bethlehem Area School District created the William Penn Elementary School Scholarship Fund. Each year, the William Penn Elementary School Scholarship will provide a minimum of one \$500 award to a qualified graduating senior from either Liberty or Freedom High School who attended William Penn Elementary School.

Each year, thousands of dollars are given in scholarship/financial assistance around the state. Now, you will be able to be a part of that tradition for children right here in Bethlehem. Please join us in this effort by making a *tax-deductible contribution* to The Foundation for the Bethlehem Area School District to support the William Penn Elementary School Scholarship Fund.

If you have any questions and would like more information, please contact William Penn Elementary School's principal, Eric Fontanez or me, Julie Bailey.

THANK YOU FOR YOUR SUPPORT!

Sincerely,

Julie Bailey  
Executive Director
